Welcome
Vision
The vision for the South River Forest and Public Safety Training Center Community Task Force is to contribute to the policymaking for a safe, equitable, and inclusive environment that provides comprehensive training for all public safety professionals and encourages public interaction with the site.

Goals
The goals for engagement are to:
• Create inclusive and community-driven recommendations for the surrounding green space (300 acres) and the public safety training curriculum.
• Facilitate an inclusive engagement process that incorporates the aspirations and expertise of the Atlantan community.
• Provide opportunities for fact-based education and awareness of the public safety training center and surrounding green space.
**Group 1: Parks & Greenspace**

Develop programming for passive and active uses of the land, while preserving its natural ecology.

**Group 2: Police, Fire, and E911 Curriculum**

Provide input on the collaborative potential and direction of the public safety curriculum.

**Group 3: Sustainability & Resilience**

Introduce and encourage the use of best practices with regards to infrastructure and development.

**Group 4: Visioning, Memorializing, and Repurposing the former Atlanta Prison Farm Site**

Contextualize the future best use of the Atlanta Prison Farm Site given its history.
Expectations

Engagement activities are centered around the planned development of the site

Recommendations will be delivered to the Mayor’s Office, but all may not be implemented

Task force members are representatives of their community of influence

The Task Force is focused on the 300 acres surrounding the Public Safety Training Facility site

Only selected Task Force members are to participate in the activities

Vision Process
Recommendation ”Bucket” – Parks and Greenspace

**Protection**: safeguarding and preserving the natural environment, ecosystems, and wildlife from threats and harm

**Conservation**: emphasizing the sustainable management and responsible use of natural resources, balancing human need and ecological integrity

**Activation**: promoting public engagement, awareness, and participation in use of greenspace
Community
recommendations pertain to integrating culture and history of the local community into how parks and greenspace are experienced.

Conservation
recommendations consider best practices for sustainable management and balancing human need and ecological integrity.

Activation
recommendations identify concrete ways to experience the greenspace and meet the desires of the current and future community.
