Meeting Agenda

- Welcome and Introductions
- Week 4 Presentation
- Recommendations Exercise
- Review Preliminary Recommendations
- Implementation Exercise
- Next Steps

Meeting Summary

- The Former Atlanta Prison Farm Site subgroup edited previously drafted recommendations, and engaged in a discussion about the initial direction of the recommendations
- A roundtable examination of the results and how to expand the recommendations was followed with a discussion about particular partners that could further the overarching mission
- Task force members prioritized recommendations following the discussion, and additional themes were identified considering opportunities that the potential parks and recreation trail space might encourage
- Task force members participated in a Mentimeter exercise where there were further asked to identify means to communicate recommendations in the near future, how to keep the community engaged and informed, and potential partners

Next Steps

- Share recommendations in their raw format for final comments
- Develop goal statements and guiding principles
- Connect recommendations across groups to demonstrate alignment and opportunities to collaborate
