

Quality Policy

The Management of Lorclon Ltd. are committed to the provision of a product and service that complies in all respects with the requirements contained in a contract or customers' purchase order.

The Company will give careful attention to its Quality Objectives, which typically include safety, delivering on time and to budget, training of staff to industry guidelines, a high quality of work, and continual quality improvement.

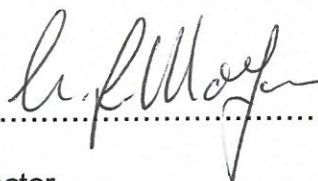

Quality Objectives will be reviewed as part of the management review process in order that they will continue to reflect the Company's objectives. This quality policy will also be internally reviewed as part of the management review process.

This is endorsed by the provision of a documented quality management system, which is subject to internal and external audit at regular intervals, to continually improve its' effectiveness.

Our management system has been structured in alignment with the requirements of ISO 9001:2015. Each member of staff is aware of the Company's commitment to complying with the requirements of ISO 9001, and is required to observe our quality requirements at all times.

The Quality policy is available to all staff electronically via the company server and a copy is displayed on the premises. Where an interested party requires a copy of the policy, it will be made available upon request.

This Policy will be reviewed annually for its continuing suitability, typically via the management review process.
