Established in 2003, the **Play It Strange Trust** exists to provide pathways of creativity and expression for New Zealand students through songwriting. We also facilitate the recording, performance and celebration of those songs and we have a number of programmes and competitions in place to achieve these goals.

New Zealand is one of a handful of countries where Songwriting is now a formally recognised topic in the school curriculum - it is an achievement standard at Level 3.

For us, this is a triumph!

Play It Strange was founded by Bill Moran with Neil Finn as Settlor and Mike Chunn as CEO.
Our current board of trustees is strong and committed.

Play It Strange wishes to continue extending our reach into the lives of young songwriters, helping them realise their dreams, communicate their world and create good songs that belong to New Zealand.

Play It Strange is a registered charitable trust. Our existence relies on support and funding from a number of good organisations and individuals.

We see our **Strange Friends** and **Patrons Programme** as an integral part of our support network and on-going success. It is a way for individuals, families and corporate communities to directly connect with and be a part of changing young lives through music and songs.

The **Play It Strange** world is exciting and rewarding. We would love you to be a part of it.
Please consider our **Friends** and **Patrons Programme** options...

PLAY IT STRANGE \ STRANGE WORLD

FRIENDS AND PATRONS PROGRAMME

The **Play It Strange / Strange World, Friends** and **Patrons Programme** offers a number of new and interesting ways to engage, connect and support this essential contribution to emerging New Zealand music.

STRANGE FRIEND MEMBERSHIP

Sign up and join our world (monetary donation voluntary)

Strange Friend benefits include regular newsletters, invitations to attend ticketed events – including concerts and shows – and ongoing insights, news, information and participation in the Play It Strange community and the exciting and dynamic world of emerging New Zealand music.

ROADIE \$1,000 PATRON DONATION or four quarterly payments of \$250

All of the above plus priority invitations to public (and some private) Play It Strange events and performances – including concerts and shows; VIP invitations to the annual Play It Strange Awards evening; and personal name recognition on the Play It Strange ‘Roadie’ register. For many there is also real satisfaction in knowing every \$1,000 will assist in paying for at least three young musicians to have their songs recorded by Play It Strange.

BAND MEMBER \$5,000 Patron Donations Includes Corporate Membership or four quarterly payments of \$1,250

All the above benefits plus opportunities to meet the artists, go backstage at selected concerts, attend recording sessions and/or rehearsals and see the musicians in action, up close and personal. Also, personal name recognition on the Play It Strange ‘Band Member’ list. Perhaps more importantly, enjoy the reward of knowing you are actively contributing to the growth, mentoring and development of emerging New Zealand music by meaningfully supporting and funding many special young New Zealand artists. For these talented young musicians, your donation will help them access a recording studio, receive songwriting advice, individual sponsorships, mentoring and personal development programmes - all outcomes at this level of donation.

STAR PERFORMER POA Patron Donation by private discussion

An opportunity to tailor an individualised programme of support drawing on any of the previously mentioned themes. Typically the specifics of this might arise from a private conversation with Mike Chunn and/or key members of the Play It Strange Board or Executive Management.

Please note: all memberships applicable to individuals, couples, families or corporates
All Strange World Patron membership categories subscribed to will be gratefully received and recognised with ‘Strange World’ certification.
