

# JAPHETH CRAWFORD

Designer + Animator

0 1

## Experience

### Freelance

Aug 2013 - Present  
Los Angeles, CA - Remote

#### Freelance Motion Designer/Webflow Developer

Provided motion graphics and vfx for clients including Nike, Future Fitness, Equinox, EVgo, Carta, Snapchat and Match.com

Designed and developed websites for agencies and direct-to-client using Webflow

### Stash

March 2022 - May 2023  
Los Angeles, CA - Remote

#### Lead Motion Designer

Created motion guidelines for use across brand and marketing that complemented in-progress and future product motion work.

Designed and animated digital ads and social content

Created Lottie animations for product use

Created 3D imagery for use across brand and marketing

### ChowNow

Sept 2020 - March 2022  
Los Angeles, CA - Remote

#### Senior Motion Designer

Introduced motion to the brand and established consistencies across both product and marketing

Created product demos and sizzle videos introducing new app features for use on web, in digital campaigns, and on social

Presented and communicated motion concepts to stakeholders and executive leadership for approvals

Kickstarted Lottie implementation to bring motion to the product for experiences like app onboarding

### Snap

Sept 2019 - Sept 2020  
Santa Monica, CA

#### Freelance Animator / 3D Generalist

Developed motion systems for creating app demo ad content that could be efficiently localized.

Experimented with and developed 3D dynamic branding using the Snap logo

Aided in pre-production of shoots involving green screen, tracking, and screen replacement

Created product demos for use at Snap Partner Summit keynote presentations

### Ralph Creative

Nov 2017 - Sept 2019  
Los Angeles, CA

#### Senior Motion Designer / Video Editor

Helped start third global office in LA, building a team of motion designers, editors, and designers.

Responsible for ideating, designing, editing, and animating content for a range of entertainment and consumer brands, including Apple, Netflix, Facebook, Starz, and Mailchimp

Recruited, lead, and mentored a team of designers

### Apple

Oct 2016 - Nov 2017  
Cupertino, CA

#### Motion Designer

Designed and animated how-to/tips and tricks content for both hardware and software topics for use on social

Worked on storyboards with writers to make complex copy work in easily digested videos

Photographed products in lifestyle situations

Researched products and helped the team plan strategic content to cover

### Media Arts Lab

May 2016 - Oct 2016  
Los Angeles, CA

#### Freelance Motion Designer

Established the look and feel for video content and created templates for a rapid production cycle of social content for @AppleSupport

### Storyfarm

Aug 2013 - Apr 2016  
Baltimore, MD

#### Motion Designer

Designed and animated videos for digital and broadcast

Edited and composited graphics on live action shots
