Wir alle spielen eine wertvolle Rolle in unserer Schulgemeinschaft. Meine Aufgabe ist es, die Schüler:innen individuell abzuholen und sie in einem sicheren und anregenden Umfeld weiterzubringen, damit sie Risiken eingehen und sich selbstbewusst ausdrücken können.

Auch nach 20 Jahren als Lehrerin bin ich immer noch beeindruckt von der Entwicklung der kleinen Köpfe!

Everybody plays a valuable role in our school community. My job is to meet students at their level and move them forward in a safe and stimulating environment, allowing them to take risks and express themselves confidently. With a focus on one-on-one interaction and support within the classroom, I can embrace a lot of differentiation in my lessons.

After 20 years of teaching, I am still in awe of the growth those little minds are capable of!
