SOFTWARE

ABOUT US

I'm an exceptionally passionate Graphic designer who does not stray away from hard challenges to create new and better solutions for design problems. My passion and "Eye for design" makes me very proficient in creating strong visual identities that embodies the design works personality. I am committed to developing my current creative skills and embracing new design ideas to keep up with the design world.

DESIGN EXPERIENCE

2022'S INNOVATION BOOT CAMP PARTICIPANT

Longo Centre for Entrepreneurship | Oct 25th - 26th 2022

- Communicated Online with multiple team members to brainstorm creative and new solutions.
- Defined, expanded and researched the chosen innovation solution.

INTERACTIVE ART LABELS COMPETITOR

Humber Galleries Design Jam | Oct 25th - 26th 2021

- Created a unique design for an art display label for the visually impaired
- Brainstormed design strategies with other design students in a limited amount of time
- Collaborated on important design questions with other students from various programs

PROJECT AND OUTREACH TEAM LEADER

Intercultural Engagement Program | Jan - April 2022

- Coordinated International projects and events with multinational team members across four countries.
- Managed and launched events that promoted cross-cultural understanding and knowledge.
- Designed and customized social media reels, posters and Presentations for the projects and events using Adobe Creative Suites.
