

TXUnited® New Steel Sucker Rod

Limited Lifetime Warranty

TXUNITED® NEW STEEL SUCKER ROD LIMITED LIFETIME WARRANTY

TXUnited® steel sucker rods, pony rods, and couplings are warrantied against defects in material and workmanship for the life of the products (defined as the condition causing a downhole failure in the original well for which the products were designed or purchased) to the original purchaser.

This warranty will cover the replacement of the defective sucker rod, pony rod, or coupling, including the normal and reasonable well servicing costs directly related to the fishing and rerunning of the rod string to the point of failure only. No other consequential cost or damages shall be the liability of **TRC Services, Inc**, including its subsidiaries ("**TRC**") or ChampionX. This warranty does not cover the cost of failures caused by improper handling, improper makeup or breakout, ineffective chemical inhibition programs, environmental conditions, wear, deterioration or any other misapplication, accident, alteration, abuse, or misuse of the steel sucker rods, pony rods, or couplings.

Neither **TRC** nor ChampionX shall be responsible or liable in any event for any loss of production, profits, downtime, accidents, or for any other direct, indirect, incidental, special or consequential damages arising from any cause whatsoever.

Any claim for warranty must be submitted in writing by the original purchaser of the products to **TRC**. Any such claim submitted shall be accompanied by the sucker rod string design, the failed part per **TRC**'s published claim procedures, and any other information as required by **TRC** that would be deemed necessary to complete the necessary analysis to determine the root cause of any failure.

In the event a dispute arises due to the findings of such failure analysis, TRC shall retain the right to submit the data pertinent to the claim to a qualified third-party independent testing lab for analysis. The original purchaser and **TRC** shall be bound by the findings of the third-party analysis and agree to equally share the cost of such analysis.

This warranty is being underwritten by ChampionX for twenty-four (24) months from the date of purchase and by **TRC** thereafter through the life of the products. ChampionX shall not be responsible for any damages or liabilities of any kind related to this warranty beyond twenty-four (24) months from the purchase date.

Effective for Products and Services Sold After **August 1, 2021**
