PAYMENT POLICY

Welcome to our practice. We look forward to providing you the best dental care possible.

We recommend treatment based on the conditions as seen in your mouth at the time of your exam. Before any restorative treatment commences, we will explain our findings, diagnoses, treatment options, patient responsibilities, time requirements, and sequence of treatment.

As a courtesy to you, if you have insurance, we will file your dental claims. After we receive insurance payments, we will bill you for the remainder. Please remember, you (not the insurance company) are responsible to us for all fees for services.

Our fees and policies reflect our professional commitment to excellence. To achieve these goals, we need your help and understanding of our payment policy. We offer these methods of payment for your convenience.

- A. Bank charge cards: VISA, MASTERCARD, AMERICAN EXPRESS
- B. Cash, check or money order
- C. Insurance
- D. We also have a payment plan called CareCredit (requires credit approval) that allows you to spread payments over time.

Treatment involving lab work requires payment of half your portion at the initial visit and half your portion at the date of seat.

In order to keep costs affordable by efficient use of equipment and professional staff, we require 24 hours notice to cancel an appointment. If we do not receive 24 hours notice, and you do not show for your reserved time, we charge a missed appointment fee of \$75.

We reserve the right to charge interest (18% as provided by state law) on all accounts not paid in full within 30 days of billing.

In the event of a payment default, you will be liable for collection, court costs and reasonable attorney fees.
