2021 Eligibility for funded influenza vaccination

The 2021 influenza vaccines that can be administered by pharmacists are FLUAD® QUAD for adults aged 65 years or older and AFLURIA® QUAD for ages 13-64 years. These are free when administered to eligible people by 31 December 2021.

Eligibility criteria for FREE influenza vaccination:

1. Pregnant women (any trimester)
2. People aged under 65 years with any of the medical conditions listed overleaf
3. People aged 65 years or older

Also refer to the New Zealand Pharmaceutical Schedule on the PHARMAC website:
www.pharmac.govt.nz/patients/PharmaceuticalSchedule

**The Immunisation
Advisory Centre**

The following conditions are excluded from funding:

- Asthma not requiring regular preventative therapy
- Hypertension and/or dyslipidaemia without evidence of end-organ disease

For vaccination eligibility and clinical queries contact:
The Immunisation Advisory Centre (IMAC)
The University of Auckland
Phone: 0800 IMMUNE (0800 466 863)
Email: 0800immune@auckland.ac.nz
