#### GREEN INITIATIVES

Premiere Solutions, LLC is at the forefront of electric vehicle adoption, offering leasing and procurement services for Electric Vehicles (EVs).

#### STRATEGIC LEASING

We provide clients with leasing options that align with tier one diversity spending, promoting inclusivity.

#### EFFICIENT LOGISTICS

We excel in asset transportation across the US and Canada, offering seamless logistics support.

#### SUPPLY CHAIN MASTERY

In a challenging Supply Chain environment, our extensive network helps locate chassis with ease.

Premiere Solutions LLC is uniquely positioned as a Small, Minority Business Enterprise, offering a distinctive business arrangement. Teaming up with Livingston Energy Group, a U.S.-based firm specializing in EV charging stations, Premiere Solutions serves as the prime contractor for Electric Vehicle Charging station projects across multiple states, in alignment with the Federal Infrastructure Bill. Our collaboration ensures that local Black and Brown talent is engaged for project implementation, and upon project completion, clients can source their Electric Vehicles through Premiere Solutions, fostering comprehensive solutions within the electric vehicle ecosystem.
