**Terms and conditions for Viasat Beyond Space (the “Competition”)**

By entering the Competition, you agree to be bound by these terms and conditions (these “Terms and Conditions”). Promotional materials relating to the Competition, including all information on how to enter the Competition, also form part of these Terms and Conditions. In the event of any conflict between any terms referred to in such promotion materials and these Terms and Conditions, these Terms and Conditions take precedence.

By consenting to these terms and conditions, you understand and agree that Springpod and Viasat may use your name, photograph, image, likeness, statements, sound of your voice, and recordings (including livestream recordings) in publicity materials. Please review the Terms and Conditions for complete details.

1. The promoter of this Competition is Viasat UK Limited (company number: 03007498) (“Viasat”) whose address is at Royal Pavilion, Tower 2 Fourth Floor, Wellesley Road, Aldershot, England, GU11 1PZ. The co-promoter of this Competition is The Education Hub Group Limited trading as Springpod (company number: 10150500), whose address is Unit 5 2 Mill Street, London, United Kingdom, SE1 2BD (“Springpod”).

2. Participants must be a student in Year 12 or Year 13 (or Scottish equivalent) at a school in the United Kingdom, have internet access, and be legally resident within the United Kingdom, at the time of registration. Participants must have the permission of a parent or legal guardian to enter the Competition and must provide evidence of this permission when requested by Viasat or Springpod. The participants will be asked to input some contact information about their parent or legal guardian, which will be used to verify and obtain the guardian’s consent of the participant entering the Competition on these terms. Employees and agents of either Viasat or Springpod, or any of their respective subsidiary or affiliated companies, and their immediate families and members of their households and anyone otherwise connected with operation or fulfilment of the Competition are not eligible to participate in the Competition. Viasat reserves the right to require participants to prove that they are eligible and prove they have the parental permissions required. If the winner(s) of a prize are found to be ineligible (including, without limitation, where a participant provided inaccurate or false information), Viasat reserves the right to award the prize concerned to another participant and to require the return of any prize already awarded to such an ineligible winner.

3. Participants may enter the Competition as an individual (1) or as a team of up to three (3) students. Participants forming a team to enter the Competition must all be eligible participants but they do not all have to attend the same school to form a team.

4. Starting 8:00 am (UK time) Monday 2 October 2023 you will be able to register and carry out the below Application Process in order to enter the Competition. You can also submit your ‘interest’ from this date, and receive updates on the competition. All answers to enter Phase 1 of the Competition must be submitted between 8:00 am (UK time) 6 November 2023 and no later than by 11:59 pm (UK time) on 7 January 2024. You are required to complete the below Application Process (as mentioned below) in order to submit your responses, so please plan for enough time before this deadline. There are three (3) phases to the Competition, as set out below:

<tr>
<td>Phase 1 – Question and answer</td>
<td>Phase 1 of the Competition will operate on the Springpod’s website at the following URL address: viasat.springpod.com (the “Website”). The Competition will be run and entries will be expected to be submitted in English.</td>
</tr>
</tbody>
</table>
- Participants/teams are invited to submit answers to two (2) questions via an online form located on the Website, and to be accessed as follows: each participant/team will need to first create an account/log in on the Website (the “Account”) and complete an application form which will also ask to validate their parent/guardian’s consent by 5 January 2024 (the “Application Process”), in order to enter the Competition, access the content of the questions and submit their entries throughout the Competition. Once the Application Process has been completed, the participants will receive an email to the email address indicated in their application form, confirming if their application has been accepted, their log in details and access to the platform where the content of the competition’s assignments and online form for Phase 1 will be available. Each participant/team member must complete an Application Process, however regarding teams, each team will have a shared Account and receive common credentials, which will lead to a single entry to be submitted on behalf of that team.

- The answers shall have a character limit of no more than 500 words for each of the two questions. A group will need to submit only one (1) submission using the online form in the Website (as opposed to one entry per team member).

- The questions shall have a space theme. Viasat shall release the questions on the Website on or before the date that the Competition commences on Monday 6 November 2023. You may carry out the Application Process from 8:00 am (UK time) 2 October 2023 but entries cannot be submitted until 8:00 am (UK time) on 6 November 2023.

- All answers must be submitted to the online form located on the Website by 11:59 pm (UK time) on 7 January 2024.

- All answers shall be assessed by Springpod and a UK experienced assessor. The participants / teams who submitted the entries ranked by Springpod and the UK experienced assessor to be within the top 30 entries received, shall be progressed to Phase 2 of the Competition. The ranking of all Phase 1 entries shall be based on the judging criteria available at https://bit.ly/viasat-springpod.

- Springpod shall notify the successful participants / teams, who are through to Phase 2 of the Competition, on or before Friday 12 January 2024 using the email address notified with their entries when they were submitted to the Website and also via their Account.

### Phase 2 – Digital Entry

- Participants/teams will be invited to use the questions asked for Phase 1 and expand on their proposed solution/answers.

- Successful participants / teams from Phase 1 are invited to submit their proposed solution in any digital format (video, reel, animation, etc) of no more than sixty (60) seconds in length, or other form of digital entry such as a PowerPoint slide deck, Google, Prezi of no more than six (6) slides ("Digital Entry"), their answer and proposed solution to the question. We encourage you to use any tools you have access to and to be creative.
Participants/teams must create and submit a Digital Entry which explains in more detail the solution they have proposed in answering the questions in Phase 1. Participants/teams can detail their solution in one or more of the areas of policy, design, and technical solutions.

The Digital Entry must be submitted via the Participant/teams’ Account in one of the following formats listed below and maximum file size of 100MB irrespective of format. Students can only submit one file. If they have multiple files, they may create a ZIP file and upload this.

This Phase 2 of the Competition commences on Monday 22 January 2024. All Digital Entries must be submitted on or before 11:59 pm (UK time) Sunday 3 March 2024.

All Digital Entries shall be assessed by Springpod and a UK experienced assessor. The participants/teams who created the Digital Entries ranked by Springpod and a UK experienced assessor to be within the top 5 entries shall be progressed to Phase 3 of the Competition, and will be notified they have been selected on or before Wednesday 6 March 2024. The ranking of all Digital Entries shall be based on the judging criteria available at [https://bit.ly/viasat-springpod](https://bit.ly/viasat-springpod).

**Phase 3 – Finals**

Successful participants/teams from Phase 2 (the “Finalists”) are invited to present their Phase 1 answers/proposed solution and the content of their Digital Entries, based on the judging criteria available at [https://bit.ly/viasat-springpod](https://bit.ly/viasat-springpod) (and based on the objectives to be informed to participant/teams prior to the event), to a panel of judges (including at least 1 (one) independent judge) at an in-person final event to be held during April 2024. The exact date and time of the Final as well as the expected objectives will be confirmed to the email of the Finalists as well as to their guardian, as indicated in the application form (the “Final”).

At the Final, Finalists will be asked to present in a fifteen (15) minute presentation, their explanation to the panel. This 15-minute presentation period will be followed by an additional fifteen (15) minute discussion period during which the Finalists should be prepared to engage in conversation with the panel. The presentation shall include a comprehensive overview of the Finalists’ idea/solution, which may include various forms of digital media, physical media/prototypes, and other methods of illustrating and demonstrating your proposed solution. Finalists will be expected to—at minimum—have presentation slides (Google, PowerPoint, Prezi, etc.) to accompany their 15-minute verbal presentation. Finalists are welcomed but not required to bring additional elements (e.g., prototypes, printed materials, etc.).

Phase 3 of the Competition shall commence when the objectives are released to Finalists (via the email indicated above) on Monday 11 March 2024.

Each participant/team of Finalists will be assigned two (2) mentors to coach them through this stage of the
Competition and help them to craft and refine their presentation ("Mentors"). All Mentors shall be an employee of Viasat or one of Viasat's group of companies.

- The Mentors shall check in with their participant / team regularly (with the following sessions) in the run-up to the Final.

- The Finalists shall be entitled to a total of two (2), one (1)-hour sessions (online) to receive support from their Mentors before the Final, and one four (4) hour in-person session the day before the Final in the Venue (defined below), to be scheduled between the hours of 9am and 6pm (UK time), as communicated to the Finalists in advance to their email.

- The Mentors can support each Finalist participant / team with soft skills (e.g., presentation skills and techniques and the structure of the presentation) but cannot give advice on the content of the presentation which shall be delivered within the Final.

- The Final shall take place in-person at Viasat's offices in London (125 Lackington St.; London; EC2Y 9AU) (the "Venue") and participants / teams shall be notified of the date and time of the Final no later than Friday 15 March, 2024.

- For Finalists to attend the Final, Viasat will assume the following costs for Finalists that live outside of Zone 1, 2 and 3 in London: (a) travel costs of each Finalist participant/team member and one (1) chaperone per team (or participant that applied individually), from their city of residence to London and from London to their city of residence (travel means to be selected by Viasat), (b) accommodation in central London (3-4 star hotel, chosen by Viasat, breakfast included) for each Finalist participant/team member (and one (1) chaperone per team (or participant that applied individually)), for three (3) nights (i.e. to cover the night day before the Final, the night of the Final and the night following the Final). Viasat will also offer £125 per individual (i.e., each participant/team member and chaperone) ("Ground Travel Giftcard") for the first day of inbound to London and a second Ground Travel Giftcard for the last day, outbound out of London. Finalists and their chaperone will be responsible for transport to airport/train station in their city of residence, and transport to hotel once in London. All travel and accommodation shall be arranged by Viasat who will contact the participant for booking. If participants have been invited to attend the Final as part of a team, then each member of the team shall be entitled to these travel and accommodation costs. Once issued, any train tickets cannot be re-issued and date or routing changes are not permitted. All trains and accommodation are subject to availability and usual booking terms and conditions apply. The train tickets and hotel vouchers offered by Viasat cannot be applied to the cost of any previously purchased reservations or other miscellaneous charges.

- Finalists will be contacted to the email address of their parent/legal guardian that they indicated when they entered into the Competition, to confirm their attendance prior to the Final, and arrange travel and accommodation with Viasat, one (1) month before the Final. Viasat will directly manage, choose and book all necessary travel to and
out of London, and accommodation in coordination with the Finalists. No reimbursement is possible.

- The overall winner or winning team (as applicable) shall be chosen by the judging panel at the Final, from all complete, eligible, properly presented submissions at the Final. The winner or winning team shall be notified that they have won on the day of the Final and there will be one final winner or team (as applicable) selected for each of the following places: first, second and third place.

5. Entry to the Competition is free; no purchase is necessary.

6. To enter the Competition, you must enter in accordance with the official method of entry detailed in Section 4 above. Entries submitted by any other means will not be accepted. Any ineligible, incomplete or fraudulent entries will be rejected. Participants / teams may make a maximum of 1 entry into the Competition and participants may not enter the Competition more than once (as an individual or as part of multiple teams). Any entries in addition to this may result in their disqualification. The prizes to be won are the following, depending on each place awarded at the end of the Final (each, a "Prize"):

**First place:**
- £7,500 cash prize (per person) to be paid by Viasat directly to the student with the purpose of supporting their education-related expenses.
- Invitation to attend the Viasat Sustainable Space Experience Week to take place between 8 July 2024 – 11 July 2024, in an experiential learning week at Viasat's headquarters in London. Participants can expect to learn and participate in a range of space-related experiences, get to know engineers who are at the top of their field, and get a behind-the-scenes look at one of the world's largest space communications companies. The Experience Week is an excellent opportunity for students to gain experience in the sector, build relationships, and gain an edge on your CV.
- Invitation to participate in three (3) additional 1-hour Viasat mentor sessions (online) over six (6) months, to provide expertise around career tracks and help the students understand career future in STEM and opportunities they can explore.
- Viasat branded goodies.

**Second place:**
- £3,750 cash prize (per person) to be paid by Viasat directly to the student with the purpose of supporting their education-related expenses.
- Invitation to attend the Viasat Sustainable Space Experience Week in the same terms above.
- Invitation to participate in three (3) additional 1-hour Viasat mentor sessions (online) over six (6) months, to provide expertise around career tracks and help the students understand career future in STEM and opportunities they can explore.
- Viasat branded goodies.

**Third place:**
- £1,875 cash prize (per person) to be paid by Viasat directly to the student with the purpose of supporting their education-related expenses.
- Invitation to attend the Viasat Sustainable Space Experience Week in the same terms above.
• Invitation to participate in three (3) additional 1-hour Viasat mentor sessions (online) over six (6) months, to provide expertise around career tracks and help the students understand career future in STEM and opportunities they can explore.
• Viasat branded goodies.

Other Finalists not selected for first, second or third place (‘runners’):
• Invitation to attend the Viasat Sustainable Space Experience Week in the same terms above.
• Invitation to participate in (3) additional 1-hour Viasat mentor sessions (online) over six (6) months.

7. Viasat will contact the winner to their indicated email address following the Final with instructions on how to redeem the Prizes. All cash Prizes will be paid directly to eligible winners no later than May 17, 2024. Winners must have an UK bank account and communicate its details to Viasat to receive the electronic transfer. For cash Prizes, winners shall supply any info needed to pay no later than May 3, 2024. To attend the Viasat Sustainable Space Experience Week, the winners shall confirm their assistance no later than 24 May 2024.

8. Viasat shall arrange and pay for the winners’ travel and accommodation, if required in order to redeem the Prize (at 3-4 star accommodation chosen by Viasat, breakfast included). All travel and accommodation shall be arranged by Viasat who will contact the participant for booking. If participants have entered the Competition as part of a team, then each member of the team shall be entitled to the Prize. Once issued, any train tickets cannot be re-issued and date or routing changes are not permitted. All trains and accommodation are subject to availability and usual booking terms and conditions apply. The train tickets and hotel vouchers forming part of the Prize cannot be applied to the cost of any previously purchased reservations or other miscellaneous charges.

9. The winners are responsible for paying all associated costs that are not specifically stated in these Terms and Conditions, including (where applicable) meal costs, spending money, cost to obtain any necessary travel documents, all other incidentals, and any tax liability associated with the Prizes. If the winner is a minor, the minor must be accompanied by his or her parent or legal guardian (at their own expense). The Prize is as stated and is non-exchangeable and non-transferable. There is no cash or other alternative to the Prize in whole or in part. By participating in the Competition, participants agree that the Prize is awarded on an “as is” basis, and that neither Viasat, Springpod nor any of their subsidiary or affiliated companies, make any representations or warranties of any nature with respect to the Prize.

10. The winner(s) may be required to submit valid identification before receiving their Prize.

11. In the event that, for reasons beyond Viasat’s reasonable control and not related to the winner(s), Viasat is unable to award the Prize as described in these Terms and Conditions, Viasat reserves the right to award a prize of a similar nature and an equivalent value.

12. By entering the Competition, participants agree to have their name, photograph, image, likeness, statements, sound of the participant’s voice, and recordings (including, but not limited to, livestream) of their participation in the Competition and the Final (“Media Materials”) featured in publicity materials relating to the Competition (including, but not limited to, all of Springpod’s and Viasat’s websites and social media channels) without further reference, payment or other compensation. This also includes making their name as the winner available on the Website, between 6 March 2024 and 6 March 2027. Details of the winner(s) will also be made available to participants and the public on request by sending an email to pr@viasat.com no later than 31 July
2024. Participant grants Viasat and Springpod a perpetual, worldwide, non-exclusive, royalty-free right and license to use the Media Materials in any and all publications. Participant authorizes Viasat and Springpod to edit, alter, copy, exhibit, publish or distribute the Media Materials for purposes of publicizing Viasat, or for any other lawful purpose.

13. Springpod will collect and process participants' personal information in order to conduct the Competition in accordance with its privacy policy. Participant and Participant guardian name, email address, as well as personal details from their entry to the Competition will be transferred by Springpod to Viasat's agents to the extent necessary for the prize to be redeemed by the winner(s) and for Viasat the administer the Competition. If participants do not provide any of the mandatory information or parental permissions requested when entering the Competition, they may not take part in the Competition. Participants' names and other personal details from their entry to the Competition received and stored by Viasat will be processed for the purposes of administering the Competition, and, in limited cases, further outreach from Viasat in accordance with Viasat's privacy notice.

14. As between each participant and Viasat, Viasat shall own all the copyright and other intellectual property rights vesting in the entries submitted to the Competition and any other materials (whether visual, oral or written) generated during the various stages of this Competition, in perpetuity and on a worldwide basis for use at Viasat's sole discretion including, without limitation, use in advertising, other media, press releases, editorial and promotional activity, point of sale material, Viasat's websites, third party websites (including Facebook, Instagram, Twitter and YouTube), newsletters and e-newsletters. Participants shall not incorporate any third-party materials into the entries submitted to the Competition without prior permission from the third party. Participants' entries shall be genuine, and all third-party sources must be properly referenced. Viasat reserves the right to disqualify any participant/team based on any plagiarism or third-party content misused.

15. Accordingly participants hereby assign to Viasat any copyright and other intellectual property rights which exist in their participation in this Competition to Viasat and irrevocably waive any moral rights they may have that could vest in them under the Copyrights, Designs and Patents Act 1988 or otherwise, and undertake to do all things necessary immediately on Viasat's request to effect or confirm any assignment in this paragraph.

16. Neither Viasat or Springpod will not enter responsible for any lost, damaged, defaced, incomplete, illegible or otherwise unreadable entries. Nothing in these Terms and Conditions shall in any way limit Viasat's or Springpod's liability for death or personal injury caused by its negligence or for any other matter where liability may not as a matter of law be limited.

17. Any participant who enters or attempts to enter the Competition in a manner, which in Viasat or Springpod reasonable determination is contrary to these Terms and Conditions or by its nature is unjust to other entrants (including without limitation tampering with the operation of the Competition, cheating, hacking, deception or any other unfair playing practices such as intending to annoy, abuse, threaten or harass any other entrants or Viasat / Springpod and/or any of their agents or representatives) may be rejected from the Competition at Viasat or Springpod's sole discretion. Furthermore, where such actions have significantly impaired the Competition, Viasat may, at its sole discretion, add further stages to the Competition as it deems reasonably necessary in order to resolve any problems arising as a result of such actions.

18. All Viasat decisions in relation to the Competition are final and Viasat will not enter into any correspondence with participants.

19. These Terms and Conditions are governed by English law. The courts of England and Wales shall have exclusive jurisdiction to hear any dispute or claim arising in association with the Competition or these Terms and Conditions.
