

Urban Ecology Center Summer Camper Expectations

Campers, please review the Camper Expectations below before attending camp. Camp Counselors will review the expectations with the group throughout camp activities.

As a camper at Urban Ecology Center Summer Camp:

1. I will respect my fellow campers and celebrate our similarities and differences.
2. I will use appropriate language.
3. I will have fun in ways that are safe for others and myself.
4. I will keep my hands and body to myself.
5. I will laugh with anyone, but laugh at no one.
6. I will help to make a safe space and will not tease or bully.
7. I will use all equipment and tools only in the way my camp counselor instructs.
8. I will tell my camp educator or an adult when I need help or if someone is bothering me.
9. I will clean up after myself.
10. I will participate in activities.
11. I will listen to the Summer Camp Staff.

If I do not follow the rules:

- The first time, I will be given a verbal reminder by my camp counselor.
- The second time, I will be asked to take a break and work with my camp counselor to make better choices.
- The third time, the Summer Camp Director will be notified and I will take a break from my activity. My parent/guardian will be notified.
- The fourth time, I will be separated from my activity with the Summer Camp Director and my parent/guardian will be called to pick me up from camp. If my actions are severe and/or involve a physical altercation, I will not receive a warning and I will be asked to leave.

As a participant in summer camp, I understand and agree to camper expectations above and look forward to having fun in summer camp. I understand that if I cannot follow the expectations, I may need to leave camp.
