Where do you recruit?

FAQs

Do I need a CSCS card?

This can vary from site to site depending upon each client's requirements for their workers.

As an agency, we do advise that all trades and labour possess an in-date, valid CSCS Card as this will come as a great asset for you when applying for jobs within the building and construction sector.

FAQs

Where are we located?

Our offices are based in
Skelmersdale in West Lancashire
and Thorpe Park, Leeds.

FAQs

Do you offer apprentices?

Unfortunately, as an agency, we are not able to offer apprenticeships to candidates who are working through us for a client, this is because apprenticeship schemes are government-funded and therefore can not be supported through recruitment agencies.

However, we are always on the lookout for new Apprentices to join us in the Building Careers office based in Skelmersdale, to work for us directly.

FAQs

Do you offer CIS?

For any skilled trades, most of our clients will agree to offer CIS payment, however, some of our clients prefer to pay all their workers only by Umbrella.

Please enquire with our consultants if you have any further questions.

FAQs

Do you use umbrella companies?

Yes, we have a preferred supplier list of umbrella companies that will pay all of our workers.

FAQs

Can labourers be paid CIS?

Legally, we are not able to pay the labourer's CIS.

This is because labourers fall under 'Supervision, direction and control', meaning that legally we can only pay labourers via PAYE Umbrella.

FAQs

Where do you recruit?

We recruit for jobs across the North-West and Greater Manchester and have expanded our range across Yorkshire and the North-East of England.

We can also have available across the UK. If you are looking for jobs in various areas, please give us a call to see if we have anything available for you.
