Our mission is to support these children through and beyond their parent's cancer with free, fun-filled, creative programs and a lasting community. Today, Kesem operates at more than 120 local chapters nationwide, including in the District of Columbia.

KESEM CHAPTERS

Our chapters deliver Camp Kesem, Kesem Better Days, and Kesem Gatherings programs and year-round services for children across the country.

OUR PROGRAMS

Camp Kesem

Camp Kesem, Kesem's flagship program, is a free, week-long overnight summer camp experience. At camp, we focus on creating fun experiences that help these children escape - even if for a short time - the challenges of coping with a parent's cancer diagnosis. Campers find adventure and creativity, build trust in themselves, and create new friendships. More than 100 Kesem chapters offer Camp Kesem.

Club Kesem

Club Kesem is an age-based, national virtual meet-up offered monthly for more connection opportunities from coast to coast. This program is offered by the national Kesem organization and staffed with alumni and student volunteers nationwide.

YEAR-ROUND SERVICES

In addition to our programs, Kesem Kids and their families receive a continuum of other free experiences and support. These offerings keep the Kesem magic alive all year long.

Kesem By Your Side provides customized, personal support needed during a parent's cancer journey, including difficult news, recurrence, loss, and anniversaries.

Special Deliveries provides children with personalized greetings such as birthday cards, delivered either by traditional or electronic mail to remind all Kesem families that they are a part of our community.

Warm Welcome provides every child a welcome package to immediately bring them and their families into our greater community in a personal and supportive way.

Friends + Family Days are generally twice a year, bringing together existing and interested families, Kesem student leaders and alumni, and local supporters for a day of activities, fun, celebration, and community building.
