I'm not a bot

Given article text hereAt Culver's, we strive to provide the most current information about our menu ingredients to assist customers with food allergies or sensitivities in making informed decisions during their visit. It is crucial to consult a healthcare professional if you have any concerns regarding food allergies or sensitivities.Please be aware that some menu items might not be available at all restaurants, and our website does not include tests products, test formulations, or regional items. While the ingredient information is based on standard product formulation, variations may occur due to differences in suppliers, ingredient substitutions, changes in recipe, product assembly at the restaurant level, region of the country, and seasonality.Serving sizes may vary from the quantity upon which the analysis was conducted. This information is based on our standard preparation, ingredient, supply, and proportioning requirements.None of Culver's menu items are certified as vegetarian; all menu items may contain trace amounts of ingredients derived from animals. Due to the nature of our restaurants being busy, cross-contact between ingredients and different menu items, including allergens, can occur. Therefore, it is essential that customers with food allergies inform their local restaurant manager and request to see the ingredient listings for the products they wish to purchase.Culver Franchising System, LLC, its franchisees, and employees do not assume responsibility for any sensitivity or allergy to food provided in restaurants. We encourage individuals with food sensitivities, allergies, or special dietary needs to contact Culver Franchising System, LLC., 1240 Water Street, Prairie du Sac, WI 53578.The listings on www.culvers.com are periodically updated to reflect the current status of our menu items and may differ from printed materials. We recommend visiting the U.S. Food and Drug Administration site for more information regarding food ingredients ( or food allergies ( .Concerns regarding food allergies or sensitivities should be noted that certain menu items may not be available at all restaurants. Additionally, test products, formulations or regional items are not included on our website.
