For this season, the competition was rebranded from the UEFA Europa Conference League to the UEFA Conference League. This was also the first time the tournament featured a 36-team league phase, increasing the total number of matches played in the competition proper from 141 to 153. The new format did not allow teams to switch from the Europa League league or knockout stage to the Conference League knockout stage, meaning Conference League winners could no longer automatically qualify for the Europa League league phase.The final match was held at Wrocaw Stadium in Poland between Chelsea and Real Betis, with Chelsea emerging victorious 4-1. This victory made Chelsea the first team to win all four major European trophies, including the current European competitions. A total of 164 teams from 54 UEFA member associations participated in the 2024-25 UEFA Conference League.The number of participating teams for each association was determined by their UEFA association coefficients ranking. Associations ranked 1-12 had one team, while those ranked 13-33 and 51-55 (except Russia) had two teams. Associations ranked 34-50 had three teams, except Liechtenstein which only had one.A total of 14 teams eliminated from the 2024-25 UEFA Champions League and 41 teams eliminated from the 2024-25 UEFA Europa League were transferred to the Conference League. The associations' places in the Conference League were allocated based on their 2023 UEFA association coefficients, taking into account their performance in European competitions from 2018-19 to 2022-23.The table below shows the association ranking for the 2024-25 UEFA Conference League, with teams and notes provided:| Rank | Association | Coeff. | Teams | Notes || --- | --- | --- | --- | --- || 1 | England | 109.570 | 1 | || 2 | Spain | 92.998 | 3 | || 3 | Germany | 82.481 | 4 | || 4 | Italy | 81.926 | 5 | || 5 | France | 61.164 | 6 | || 6 | Netherlands | 59.900 | 7 | || 7 | Portugal | 56.216 | 8 | || 8 | Belgium | 42.200 | 9 | +1 (UEL) || 9 | Scotland | 36.400 | 10 | +2 (UEL) || 10 | Austria | 34.000 | 11 | +2 (UEL) || 11 | Serbia | 32.375 | 12 | +3 (UEL) || 12 | Turkey | 32.100 | 13 | +1 (UEL) || 13 | Switzerland | 31.675 | 14 | +2 (UEL) || 14 | Ukraine | 29.500 | 15 | +1 (UEL) || 15 | Czech Republic | 29.050 | 16 | || 16 | Norway | 29.000 | 17 | +1 (UEL) || 17 | Denmark | 27.825 | 18 | +1 (UEL) || 18 | Russia | 26.215 | 19 | 0 [Note RUS] || 19 | Croatia | 25.400 | 20 | +1 (UEL) || 20 | Greece | 25.225 | 21 | +2 (UEL) || 21 | Israel | 25.000 | 22 | +1 (UEL) || 22 | Cyprus | 24.475 | 23 | +2 (UEL) || 23 | Sweden | 23.750 | 24 | || 24 | Poland | 20.750 | 25 | +2 (UEL) || 25 | Hungary | 20.625 | 26 | +1 (UEL) || 26 | Romania | 20.500 | 27 | +1 (UEL) || 27 | Bulgaria | 20.000 | 28 | +1 (UEL) || 28 | Slovakia | 19.750 | 29 | +1 (UEL) || 29 | Azerbaijan | 16.625 | 30 | +1 (UEL) || 30 | Kazakhstan | 12.625 | 31 | +2 (UCL)+1 (UEL) || 31 | Slovenia | 12.500 | 32 | +2 (UEL) || 32 | Moldova | 12.250 | 33 | +2 (UEL) || 33 | Kosovo | 11.041 | 34 | +1 (UCL)+1 (UEL)Given article text hereThe 2024-25 UEFA Conference League has undergone changes due to adjustments in the Champions League access list. As a result, one fewer team was relegated from the Champions Leage first qualifying round and entered the Conference League second qualifying round, while one additional team received a bye to the third qualifying round.Given that Real Madrid qualified directly for the Champions League, two teams were instead relegated to the Conference League. This also affected Olympiacos, which won the Europa Conference League title but transferred its spot to the Europa League. The UEFA Conference League is a prestigious competition that brings together top teams from Europe.In this tournament, there are no protective mechanisms in place for individual countries, meaning teams from the same country can face each other in any round. Additionally, teams that played against each other during the league phase will also compete against them in future rounds.The draw process for the knockout phase play-offs involved seeding the top 8 teams based on their league performance, with the bottom 8 teams unseeded. The seeded teams were then divided into four sections, where they would face one of their two possible opponents from the unseeded group. The seeded team hosted the second leg of each matchup.The draw for the round of 16 was similar, but with only the top 8 teams seeded and the winners of the knockout phase play-offs unseeded. Again, the teams were divided into four sections, with the seeded teams hosting the second leg.In the quarterfinals and semifinals, the exact match pairings were predetermined based on the tournament bracket. However, a draw was only conducted to determine which team would host the first leg of each matchup.The knockout phase play-offs began on February 13th, with the first legs played, followed by the second legs on February 20th. The winners advanced to the next round, while the losers were eliminated.The draw for the round of 16 was held on March 6th, and the first legs were played on March 6th, with the second legs played on March 13th.The quarter-finals and semi-finals of the 202425 UEFA Conference League took place on April 10-17, and May 1-8 respectively. The draw for both rounds was held on February 21, 2025. Real Betis and Chelsea were the winners of the respective semi-final legs, with their first-leg scores being 31 and 20 against Fiorentina and Legia Warsaw respectively.The UEFA Conference League has been renamed to the UEFA Europa League for next season, according to a recent announcement from UEFA on June 28, 2023. This change comes as part of a series of updates to UEFA's club competitions, which were approved in May 2022. The new format and access list for these competitions will take effect starting with the 2024/25 season. The UEFA Conference League final is set to take place on May 29, 2025, with Chelsea facing Real Betis in a highly anticipated matchup. The regulations of the UEFA Conference League for the 2024/25 season have been published and outline key details about the competition's format. In related news, UEFA has made several decisions regarding its club competitions, including the suspension of Russian national teams and clubs due to the ongoing Ukraine crisis. Additionally, a new format for the Champions League will be introduced starting next year, which includes more national derby games. The league phase draw for the UEFA Conference League took place on August 26, 2024, and set the stage for an exciting competition.The results of the UEFA Conference League knockout phase play-off draw were announced on December 20, 2024, and can be found on the Union of European Football Associations' website.
