Given article text here Chief ministers of Indian states and union territories lead the government in each of India's twenty-eight states and three union territories. According to the Indian Constitution, the governor serves as the head on paper, but actually wields executive authority through the chief minister. After state legislative assembly elections, the governor usually invites the party or coalition with a majority to form the state government. The governor appoints the chief minister, whose council of ministers are collectively responsible to the assembly. Of the thirty current chiefs, except for Tamil Nadu's M.K. Stalin, all others also serve as the leader of their legislative assembly. Given they have the assembly's confidence, the chief minister typically serves for a maximum of five years; there is no limit to how many terms they can hold. This list shows the current chief ministers of India's states and union territories, along with their parties and dates of taking office. The chief ministers are listed in alphabetical order by state or union territory. The information provided includes the name of the chief minister, their party affiliation (if any), and the date they took office. Some chief ministers have been in office for several years, while others have taken office more recently. Some notable points from the list include: * Meghalaya's Conrad Sangma has been in office since March 2018. * Mizoram's Lalduhoma was sworn in as chief minister in December 2023. * Odisha's Mohan Charan Majhi took office in June 2024. * Punjab's Bhagwant Mann has been in office since March 2022. * Rajasthan's Bhajan Lal Sharma has been in office since December 2023. The list also includes some additional information about the chief ministers, such as their party affiliations and the dates they took office. There have been recent swearing-in ceremonies for various chief ministers across India, with many notable leaders taking office. These events mark significant changes in state governance, with some states experiencing a shift from one party to another. In Chhattisgarh, Vishnu Deo Sai and his two deputies took oath as chief minister, marking a new beginning for the state. Similarly, in Gujarat, Bhupendra Patel was sworn in as the new CM on December 12, while Nayab Saini became the Haryana CM shortly after. In Himachal Pradesh, Sukhwinder Singh Sukhu took over as CM, with Mukesh Agnihotiri as his deputy. In Jammu and Kashmir, Omar Abdullah is set to become the new CM, following a recent change in leadership. Other states have also seen changes in their chief ministers, including Goa, where Pramod Sawant succeeded Parrikar as CM; Karnataka, where Siddaramaiah took oath; Kerala, where Pinarayi Vijayan was sworn in for his second term; and Madhya Pradesh, where Mohan Yadav became the new CM. In other states, such as Maharashtra, Rajasthan, Sikkim, and Odisha, there have been changes in leadership, with various leaders taking office. These events signal a shift in power dynamics across India's states.
