Madonna guinness book of world records

Madonna's impressive record-breaking career in music spans numerous Guinness World Records and chart-topping achievements. She holds an astonishing 16 official records, including being the Best-Selling Female Recording Artist of all Time (305 million albums). In 2008, she was inducted into the Rock 'n' Roll Hall of Fame, four years after being added to the UK Music Hall of Fame. Throughout her career, Madonna has been nominated an impressive 68 times for the MTV Video Music Awards, taking home 20 wins - a feat only matched by Beyonce. She was the first female artist to receive the Video Vanguard Award in 1986 and has also won 7 Grammy Awards, 2 Golden Globe Awards, 2 Brit Awards, and 11 International Dance Music Awards. Madonna's chart-topping dominance extends across various Billboard charts. She is the highest-ranking solo artist on the Billboard Hot 100 All-Time Top Artists Act and holds the record for most consecutive top-5 singles in the Billboard Hot 100 with every single between 1983 and 1989 reaching the top-5. Her reign over the Billboard Hot Dance/Club Play Singles Chart has earned her the title of "Undefeated Queen," with at least 46 #1 singles. In the UK charts, Madonna holds an impressive array of records, including having more hits than any other female artist and being the only artist to simultaneously top both the albums and singles charts four times. Her album "The Immaculate Collection" is the highest-selling album ever by a female artist (12x Platinum), and she spent a combined 252 weeks in the UK charts throughout the 80s. Madonna's concert tours have also broken records, with her Drowned World Tour being the highest-selling concert tour of 2001 for a solo artist ($76.8 million) and her Re-Invention Tour being the highest-selling concert tour of 2004 for a solo artist ($124.8 million). Her Confessions Tour was the highest-selling concert tour of 2006 for a solo artist, cementing her status as a chart-topping sensation in both music and touring achievements. Madonna's concert tours have been a huge success, with her Sticky & Sweet Tour being the highest-grossing tour ever for a solo artist. The MDNA Tour was the top-selling tour of 2012, earning over $300 million. When it comes to music videos, Madonna has also set records. Her Express Yourself video, directed by David Fincher in 1989, was the most expensive production at the time, with a budget of $5 million. Throughout her career, Madonna has won numerous awards and holds multiple Guinness World Records. She is the best-selling female recording artist of all time, with over 305 million albums sold. Madonna has also been inducted into the Rock 'n' Roll Hall of Fame and the UK Music Hall of Fame. In terms of chart records, Madonna holds several titles, including the highest-ranking solo artist on the Billboard Hot 100 All-Time Top Artists Act and the most #1 hits on one single Billboard chart. Madonna dominates UK charts with an unprecedented 10th number one single, cementing her status as the most successful female artist of all time. Her impressive discography boasts a whopping 13 #1 hits and 63 top-10 hits, with every single reaching the UK top-20 until 2008's Miles Away. She holds the record for the most top-5 hits in the UK, outdoing even Adele. Madonna's impact on the UK charts is evident in her consecutive top-10 hits, which span an impressive 35 weeks. Her album sales are equally impressive, with The Immaculate Collection being the highest-selling album by a female artist (12x Platinum). In the 80s and 90s, Madonna spent a combined 510 weeks on the UK charts. Tour-wise, Madonna's concerts have grossed staggering amounts. Her Re-Invention Tour raked in $124.8 million, while her Sticky & Sweet Tour became the top-grossing tour ever for a solo artist, earning over $400 million. The MDNA Tour followed suit, grossing over $300 million and ranking 11th on the list of highest-grossing tours. In the realm of music videos, Madonna's Express Yourself video holds the record for being the most expensive production at the time, with a budget of $5 million. Her MDNA Tour was also a massive success, earning her the title of world's best-selling woman in music. Singer-songwriter Madonna has achieved numerous world records over five decades, including becoming the best-selling female recording artist. She first entered the Guinness Book of World Records in 1986 with her album True Blue and went on to hold multiple records simultaneously, including 20 entries at once in 2012. Her statistics have been scrutinized not only by the music industry but also by business and marketing communities, earning her praise as "the most statistically significant artist of the 80s" from The New York Times in 1992. She has also scored less favorable records, such as the most Golden Raspberries won by a woman and the largest drop by a number-one album. Madonna has achieved high positions on various record charts, including being named "the most successful singles artist" in Germany and "the most successful solo artist of the Billboard Hot 100" in the United States. Her records have been frequently commented upon over multiple decades, with publications such as The New York Times and Fast Company praising her achievements compared to those of other artists. Madonna has consistently broken records in the music industry, earning her the title of "unprecedented regularity" according to experts Ray B. Browne and William Labov. Despite numerous accolades and awards, Madonna often expresses a sense of detachment from them, saying she doesn't focus on her accomplishments but rather on what she hasn't done yet. She has been described as nonchalant when receiving honors, including declining the Hollywood Walk of Fame in 1990. According to Guinness World Records, Madonna is the record-holder for best-selling female artist, with sales exceeding any other female music star. Her album True Blue holds the title for best-selling album by a woman, while The Immaculate Collection has sold over 30 million copies worldwide, making it the most successful compilation album by a solo artist. Additionally, Madonna's concert tours have broken records, with over 11 million tickets sold worldwide, according to a 2022 report from Pollstar. Madonna's impressive career milestones include becoming the first female pop artist to gross over $1 million from a single performance. Her Who's That Girl World Tour concert at Miami Orange Bowl achieved this feat. Additionally, she is the first female artist to gross over $1 billion from her concert tours and the highest-grossing solo touring artist. As of 2022, she has generated over $1.5 billion in ticket sales, surpassing Bruce Springsteen's record. Madonna also holds records for the highest-grossing tour by a solo artist with Sticky & Sweet Tour and the highest-grossing music tour per concert with Confessions Tour. Her documentary "Truth or Dare" held the title of highest-grossing documentary for 11 years. She has also published books, including "The English Roses," which was released in 100 countries and translated into 30 languages. In the world of film, Madonna holds records for most costume changes in a film character with her role in Evita. Her music video "Express Yourself" was once the most expensive music video produced. Additionally, her music has been remixed and sampled more than any other performer in history. Madonna holds numerous records for her concerts and music releases. In 1995, she launched a pajama party to promote her video "Bedtime Story," which attracted 2,000 people. However, the Guinness World Records listed a British pajama party in 2014 with over 2,004 participants as the largest sleepover/pyjama party. Madonna's performance at London's Brixton Academy in 2000 drew more than 11 million viewers, breaking the previous record of 3 million held by Paul McCartney. This event was featured in the Guinness World Records as the "Largest internet pop concert." The MDNA album became the largest day of pre-orders in iTunes history, with over 50 countries ordering it worldwide. Madonna is also the first female artist to have four songs surpass 100 million views on YouTube. Her Celebration Tour's final show in Rio de Janeiro drew 1.6 million people, making it the largest audience for a stand-alone concert. The tour was also the largest crowd for a female artist, attracting over 1.6 million attendees. Madonna's Sticky & Sweet Tour in Scandinavia became the highest-grossing concert in the region, with over 85,000 tickets sold. Her performance in Finland was also the largest paid event ever seen in Nordic countries, despite an actual crowd of around 100,000 people. Her gig in Lisbon, Portugal, during the Sticky & Sweet Tour drew 75,000 people, making it the largest music concert at the Iberian Peninsula. Madonna's album True Blue spent 34 weeks at number one on the European Top 100 Albums chart, a record for any album. Madonna dominated the charts in the late 1980s. Her song "True Blue" debuted at number eight, making her the first female solo artist to achieve this feat. Madonna's subsequent releases had better debuts, with "American Life" going straight in at number one. In Europe, "Secret" set a record for the highest new additions to radio, and Madonna became the first female singer to top three Music & Media charts in two different years. She also achieved the rare feat of having her entire album catalog charted in the year-end European charts. Madonna is the first artist to dominate the Music & Media Year-End awards in three consecutive years (1985-1987). In Australia, she holds multiple records. "The Immaculate Collection" is the best-selling greatest-hits album by a female artist, and Madonna has 12 number-one albums on ARIA charts. She also holds the record for most number-one singles by a female artist in Australia, with 11 songs reaching the top spot. Additionally, Madonna spent 38 weeks at number one on the ARIA singles chart, the most of any artist. She is also the first soloist to achieve self-replacement at number one on the ARIA singles chart. As of 2022, Madonna became the first international act and first female artist to score number-one albums in five different decades: 1980s, 1990s, 2000s, 2010s, and 2020s. Madonna holds numerous records in Australia for ticket sales, album success, and single chart-toppers. The Girlie Show saw her sell over 360,000 tickets in the country, a feat later surpassed by the Rolling Stones' Voodoo Lounge Tour in 1995.[79] However, Madonna's record remains unbroken for solo and female acts. At Melbourne Cricket Ground, her performances were particularly well-received, with the Girlie Show selling 96,663 tickets over two nights. This is still the highest number of tickets sold by any tour at this venue.[80] Additionally, her opening show in 1993 was the fastest-selling rock concert in Australian history, selling 52,000 tickets in just 80 minutes.[81] Madonna also holds the record for the highest-attended concert at Melbourne Cricket Ground by a female act. According to Noise11.com's 2019 list, she had the largest attendance ever by a female artist in the stadium, with only Linda Ronstadt coming close.[80] Her 1993 show at Adelaide Oval attracted 40,000 people, a number that stood for 17 years until AC/DC's concert in 2010. In terms of album sales, Madonna has had top-ten albums spanning five decades in Australia, from the 1980s to the 2020s. Her studio albums have consistently been hits, with 14 out of 14 entering the Top Ten on release, according to a Noise11.com article.[85] She also attained another top-ten album with Finally Enough Love in 2022. Madonna's chart success extends beyond Australia. In Canada, she has had the most number-one singles at RPM, surpassing acts like the Beatles and tied only by them. Her single "Music" remains the latest number-one single on RPM's singles chart to date.[93] Consecutive top-ten singles Madonna holds the record for the longest string of Top 10 songs, with an impressive total of 16. This streak began with "Lucky Star" in 1994 and continued through to "Cherish" in 1989. However, her run was briefly interrupted when "Oh Father" only reached number 14. In terms of chart performance, Madonna's song "Hung Up" achieved the fastest-rising single in radio format at BDS history. The song reached the top position on Canada's Contemporary Hit Radio Chart in just two weeks. She later broke her own record with "4 Minutes", which debuted atop the chart, marking the first time any song entered at the number one spot in the BDS history that began in 1992. In concert sales, Madonna holds several records. In Ottawa, she sold an impressive 15,000 tickets in just 21 minutes for a gig of her MDNA Tour in 2012, making it the fastest-selling concert in the city's history. Madonna also scored the highest opening digital sales of a song with "4 Minutes", surpassing other artists until the release of Lady Gaga's "Just Dance". Her video compilation, The Immaculate Collection, was the first to debut atop RPM video charts. Additionally, her video single "Justify My Love" marked the first time a video single debuted at number one on the chart. In Canada, Madonna holds the record for most number-one albums and singles spanning four consecutive decades: the 1980s, 1990s, 2000s, and 2010s. She achieved two diamond albums in the country. Madonna set a record for the most expensive concert tickets among female artists with her Sticky & Sweet Tour. However, she was later surpassed by Luis Miguel in 2010 and Paul McCartney in 2011. Her concerts during the MDNA Tour held in Chile were the most expensive show in the country's history, with a total cost of $7.5 million. This broke previous records held by U2 and Paul McCartney. In terms of attendance, Madonna congregated over 140,000 fans with two gigs at Estadio Nacional de Chile in 2012, making it the highest attendance for any tour in the country's history. Madonna has also been recognized as the best-selling non-Francophone international female artist. As of 2022, she has sold over 18 million records in France, ranking her behind only the Beatles and Michael Jackson among international artists not from France. In France, Madonna set the record for the largest crowd at any concert with her Who's That Girl World Tour, drawing over 130,000 people to Sceaux, Hauts-de-Seine. This also marked the largest European crowd for Madonna. Madonna held the record for highest first-month sales for a book with Sex until being surpassed by Thierry Meyssan in 2002. She was the first female artist to have occupied both first and second place simultaneously on the French LP charts, a feat she achieved together with Johnny Clegg. All of her major album catalog, including compilations and soundtracks, except for Celebration and Rebel Heart Tour, reached the Top-10 in France. 10 number-two and three number-three. She has also achieved Diamond status on three albums in the country. Madonna is the best-selling international female artist as of 2017, with over 12.5 million records sold in Germany. Helene Fischer is the next female singer, with 10.2 million record sales. With 68 singles entries, Madonna holds the record for most chart entries by any act in German charts. She has also reached number one on the album charts 12 times as a foreign act. With Rebel Heart, she became the foreign act with the most number-one albums and only behind James Last and Peter Maffay at that time. Madonna is the female artist with the most number-one albums in German chart history. Madonna holds numerous records in the music industry, with multiple achievements in both the US and Japan. She became the first international artist to have two albums simultaneously in the top ten in Japan since 1990. Additionally, she is the oldest woman to reach the top-ten on the Oricon Albums Chart at age 51 and the first foreign act in her fifties to enter the Top-3 with Celebration in 2009. Madonna has also achieved significant milestones globally, including becoming the first artist with number-one albums in three consecutive decades: 1980s (Like a Prayer), 1990s (I'm Breathless), and 2000s (Hard Candy). She is tied with Mariah Carey for the most number-one albums by an international female artist on the Oricon Weekly Charts. Furthermore, Madonna holds records in the Dutch Top 40 chart, including the most entries and weeks at the top. In the UK, Madonna has achieved impressive success, becoming the first woman to simultaneously top both the singles and albums charts three times. Her album The Immaculate Collection remains the best-selling album by a female artist in the UK, although it was surpassed by Adele's 21. Madonna is also the fastest-selling album by a female artist and holds the record for most consecutive number-one albums by a solo artist, with six albums reaching the top spot in just eleven years. First female artist to achieve more than 10 UK number one albums is Madonna. She holds this record, making her a trailblazer in the music industry. Additionally, Madonna became the first woman to top both annual singles and album sales tabulations in 1986, according to Guinness. This feat showcased her immense success and dominance in the charts. Madonna also set records for most weeks spent at number one on UK albums, with 30 weeks as of 2020. However, this record was later broken by Adele in 2016. Furthermore, Madonna established a record for the longest consecutive run at number one with an album, "The Immaculate Collection," which held the top spot for nine weeks until being surpassed by Adele's "21." At the age of 47, Madonna achieved another milestone by becoming the oldest artist to simultaneously top both UK singles and album charts. This achievement occurred on November 26, 2005, with her songs "Hung Up" and "Confessions on a Dance Floor." Moreover, Madonna's compilation album, "GHV2," had 750,000 copies shipped before its release, setting a new pre-release high for the UK music industry. The Immaculate Collection holds the record as the best-selling compilation album by a solo or female artist, according to OCC. This achievement solidifies Madonna's status as a musical icon and a trailblazer in her field. In addition, Madonna holds the record for having the most albums simultaneously topping the Top 40 albums chart. However, this record was later broken by Kate Bush in 2014. Despite this, Madonna remains the first and only foreign female artist to have achieved this feat. Madonna also set a record for consecutive number one albums with three, which was later equalled by Rihanna's "Unapologetic" album in 2012. Taylor Swift eventually surpassed this record with more consecutive chart-topping albums. Madonna holds numerous records in the UK music charts, with notable achievements including: - Most UK number-one singles by a female artist, with 13. - The most number-two peaks on the UK chart singles, with 12. - The record for most consecutive top-ten entries (36) from 1984 to 1994, and another streak of 17 from "You Must Love Me" in 1996 until "Me Against the Music" in 2003. - Most top-ten singles by a female artist, with 63 as of 2020. - Longest chart run in the UK by a solo artist, with 64 consecutive singles according to the Guinness World Books of Records. - Most Top-5 singles by a female, with 46 singles achieving this feat, only surpassed by Elvis Presley. - Most radio plays for a single, with "Beautiful Stranger" scoring 2,462 plays. Madonna has had an unparalleled music career, with numerous record-breaking achievements. During the 1980s and 1990s, she dominated the UK Singles Chart, holding six number one spots – more than any other act in that decade. Her success continued into the 2000s, where she scored five more number-one singles as a female artist. This milestone solidified her position as the biggest-selling female album act of the 21st century. Madonna's commercial success is evident in her sales figures. In the UK alone, she has sold over 6.68 million units between 2000 and 2009, surpassing any other female artist during that period. However, in 2021, she was edged out by Adele and Pink. Throughout her career, Madonna has received numerous accolades from the British Phonographic Industry (BPI), including 45 awards as of April 2013. She holds the record for most certified artist in the United Kingdom and is the most played artist of the decade (2000-2009). According to a study by Liverpool Lime Street railway station, she was the most searched artist of that decade, with 45,633 mentions. Madonna's live performances have also been highly successful. She set a record for the fastest-selling concert at Earls Court Exhibition Centre in 2001, selling out her dates in just six hours. Her Sticky & Sweet Tour grossed over US$12 million at Wembley Stadium, surpassing all previous records. As of 2009, Madonna had nine concerts at Wembley Stadium, the most by any female artist. She was also the first person to be inducted into the Wembley Arena Square of Fame. Additionally, her children's picture book "The English Roses" sold around 10,000 copies in its first week. Madonna holds several records on Billboard charts, including most number-one wins on all combined charts with a record of 156. She is also the largest artist to have collected number-one wins on the Dance Club Songs chart with 50 chart-toppers as of 2020. Madonna holds several records on Billboard charts. She is the female artist with the most number-one singles on the Hot 100 chart, with a total of 12. She surpassed Whitney Houston in 1994 and held the record until Mariah Carey broke it in 1997, then Rihanna in 2012. Madonna also has the most top-ten singles by a female songwriter, with 38 entries. She held this record from 2002 to 2020, when Drake surpassed her. Madonna established other records as well. She is the first recording artist whose every album released a Top Ten hit on the Hot 100 chart. She also became the first female artist to have a top-ten album in five decades: the 1980s, 1990s, 2000s, 2010s, and 2020s. Madonna's streak of consecutive top-five singles is the second-longest and longest by a female artist. She scored 16 consecutive top-five singles between 1983 and 1989. Additionally, she holds the record for most number-two peaking singles on the Hot 100 chart with six entries. In the dance club songs chart, Madonna has amassed an impressive 50 number-one singles as of 2020, the most ever recorded. She also scored 24 entries on the Mainstream Top 40 chart, the highest amount recorded at that point. Madonna holds numerous Billboard records, including most entries on the Adult Top 40 chart with 17 songs. She was the first artist to have the top three songs of the year on the dance sales recap and the first song to chart based on Internet sales alone. Madonna also broke multiple records for female artists, such as most Top-40 entries at Billboard Hot 100 and most consecutive number-one albums at Billboard 200. Madonna holds numerous records in the music industry. She has had seven number-one singles on the Billboard Hot 100 chart, tied with Whitney Houston. Madonna has also sold more physical singles than any other artist during the 2000s decade. The Recording Industry Association of America (RIAA) and Nielsen have recognized her achievements, including being the best-selling female rock artist of the 20th century and having the best-selling album by a woman in the United States. Madonna has also broken records for fastest success in topping The New York Times' children's picture book list. Her video single "Justify My Love" is the best-selling video single of all time, while her music video Blond Ambition World Tour Live crossed 50,000 units and became the best-selling music video in LaserDisc format. Madonna shares a record for most multi-platinum albums by a female artist with Barbra Streisand. She has achieved numerous other accolades, including being the first female artist to score seven consecutive multi-platinum studio albums with her album Ray of Light. Madonna holds multiple records in the U.S., including first multi-platinum video single "Justify My Love" and first female to top 5 million sales mark with more than one album. She also surpassed the Beatles for most gold-certified singles by a female artist, achieving 28 titles. Her video single "Ray of Light" was the best-selling of the SoundScan era. In television and concerts, she won 20 MTV trophies (later broken by Beyoncé) and six awards in a night, a record later beaten by Lady Gaga. Madonna's Madame X Tour was the highest-grossing music theater tour with substantial nightly billing. She holds the most Golden Raspberry Awards wins by a female actress, as well as the highest-grossing concert film in the U.S. for "Madonna: Truth or Dare." Her 2012 Super Bowl halftime show was the most viewed ever, and she set records for her concerts in Los Angeles Memorial Sports Arena. Additionally, Madonna holds the record for the highest debut at American Top 40 with "Erotica," is the first charted song in Radio & Records lists without an album available with "Into the Groove," and scored the most number-one CHR songs during the 1980s as a female artist. Madonna tied with Hall & Oates for most CHR chart entries by a female or solo artist in the 1980s, with 21 each. She also led all females in total songs on the BDS chart without reaching number one, with 16 tracks. "Like a Prayer" was added to 234 radio stations and had the highest sample percentage of any song its first week on the CHR list, with 95%. The same song dominated station adds at the Gavin Report charts as well. As of her career peak, Madonna was named the most successful female artist in both the UK and US by Guinness and British Hit Singles & Albums. She made history by entering straight to the top of the Official Albums Chart with True Blue, a feat she repeated with MDNA. "Like a Prayer" also became a simultaneous number-one single in the UK and US. In 2002, Evita was screened at the Pyongyang International Film Festival, making it the first North-American film shown in North Korea. On Los 40's influential pop chart, Madonna scored 18 number-one singles, tying Camilo Sesto before being surpassed by Alejandro Sanz and Miguel Bose. She remains the international artist with the most charted songs at number one. In Spain, she achieved 21 number-one singles, the most by any act. As of October 2020, Madonna tied with Britney Spears and Rihanna for the most number-one singles in Ireland among female artists, with 8 each. Her Rebel Heart Tour set records for most expensive concert tickets in Mexico, Singapore, and Taiwan. Madonna's concerts have set multiple records across various countries. In Estonia, her Sticky & Sweet Tour sold out 70,300 tickets within 24 hours, beating Metallica's previous record of selling out in three days. The Rebel Heart Tour holds the national record for the fastest-selling concert in Hong Kong, selling out in just 30 minutes and prompting an additional show. In Mexico, she sold-out 47 minutes at the Foro Sol for her Sticky & Sweet Tour. In Portugal, it took nine hours to sell tickets for her Re-Invention World Tour gig. The Sticky & Sweet Tour received the highest demand for tickets and fastest sale in Romania. In Switzerland, Madonna recorded the biggest audience at any type of show after selling 72,000 tickets for the Zurich's Dübendorf airfield concert. Her two shows in Gothenburg during the Sticky & Sweet Tour set a record as the highest-grossing multiple shows in Sweden's history. Madonna also holds several records on major musical markets as either a soloist or female artist. She is the first female artist ranked in Billboard's "Greatest Pop Stars" and has repeated as a year's "Greatest Pop Star" in 1985 and 1989. Billboard staffers have nicknamed her the "Queen of Charts", while Forbes contributor Hugh McIntyre named her the "Queen of Billboard charts". Music & Media called her an "Airplay queen", Devon Maloney from Spin headlined her as the "Queen of Album sales", and The Daily Telegraph referred to her a "chart queen". In Canada, Madonna was listed as the most successful female artist by RPM in 1994. In Germany's GfK Media Control Charts at their 40th anniversary, she was listed as the most successful singles artist. Music & Media charts ranked Madonna as Europe's most successful artist before 1986. She was crowned Artist of the Decade in their 1994 anniversary issue and held the top spot for Eurochart Hot 100 Singles. The Official Charts Company named her the UK's most successful female artist, a title she still holds by various metrics. In the US, Madonna leads the Billboard DVD chart with all 15 entries reaching the Top 5. On the Billboard Hot 100, she ranks second behind the Beatles and has maintained this position since 2008. She also topped the Dance Club Songs list and was placed fifth on Billboard's Greatest of All Time Top Artists chart. Among female artists, Madonna ranked second behind Mariah Carey. Additionally, she took first place in various polls, including HMV/Channel 4's Best Female Artist, VH1's 100 Greatest Women in Music, and the Daily Telegraph's Pop's 20 Greatest Female Artists. Madonna's fan records set by fans worldwide are numerous and record-breaking. One notable example is a fan letter written by her Brazilian fans, which holds the Guinness World Record for being the largest ever written. In addition to this, Madonna has been recognized in various categories within the Guinness Book of World Records. According to a statement made about setting personal records, "You might not be able to run as fast as Michael Johnson or sell as many records as Madonna but everyone can set a record". Some of her notable fan records include: - The most valuable piece of Madonna clothing sold was a corset designed by Jean-Paul Gaultier for $19,360 in May 1994. This record has been surpassed since then, with other items belonging to Madonna selling for higher prices. - At the annual Fool's Paradise Drag Party at Fire Island Pines, New York on August 30, 2014, a gathering of people dressed as Madonna set the Guinness World Record with 440 attendees. - The largest collection of Madonna items ever sold in an auction was by Julien's Auctions in 2014, featuring 150 items. - A photograph of Madonna taken by Herb Ritts for True Blue's album cover sold for $15,000 in 2006 but was later surpassed in 2009 when a picture of her from 1979 sold for $37,500. The text provides a collection of references and quotes about Madonna, including her awards, career milestones, and personal life. The sources include books, articles, and interviews published between 1987 and 2022. Some notable points mentioned in the text include: * Madonna has won numerous awards throughout her career, including top national and world honors. * She has been recognized as a successful singer-songwriter by Guinness World Records. * Her diet is notoriously strict, according to an interview with The Cut. * She has been named the Queen of Pop and has held this title for many years. * She has won numerous awards for her music, including Grammy Awards. The text also mentions various quotes from Madonna herself, including one where she states that "awards are overrated." According to various sources, including Guinness World Records and Pollstar, Madonna is the most successful solo female singer in history. She has achieved numerous records, including becoming the highest-grossing solo touring artist of all time, with over $1 billion in ticket sales. Madonna's success can be attributed to her tireless touring career, which has spanned over 30 years and included sold-out shows around the world. Her ability to reinvent herself and push boundaries has allowed her to stay relevant and popular among audiences of different generations. The singer's impact on music is also evident in her influence on other artists, with many citing her as an inspiration. Madonna's innovative approach to music production, including the use of remix albums, has helped shape the sound of contemporary pop. Madonna has been recognized for her contributions to live music, earning numerous accolades, including being named the highest-grossing solo artist of all time by Billboard and Gigwise. Her influence extends beyond music, with her name becoming synonymous with female empowerment and cultural iconography. Throughout her career, Madonna has demonstrated her ability to evolve and adapt, showcasing her artistic range and creativity through various mediums, including film, literature, and philanthropy. Madonna holds numerous records and achievements throughout her career. According to various sources, including the Guinness World Records, she has set records for: * Most wanted out-of-print book ("Sex" in 1993) * Largest concert attendance (a record that was broken in 2006) * Biggest pre-sales of an album ("MDNA" in 2012) * Largest sleepover/pyjama party * Most influential music videos Madonna has also had numerous number one hits and has been named the "Artist of the Decade" by Music & Media magazine. She holds records for being the top-selling artist of the year and has had a string of successful singles. Additionally, Madonna's albums have consistently topped charts around the world, including in Europe and North America. Her record-breaking tours have included sold-out performances at iconic venues like Wembley Stadium and Madison Square Garden. Sources include news articles from CNN, The Sydney Morning Herald, and News.com.au, as well as music industry publications like Radio & Records and Music & Media. K-pop group TWICE has achieved significant success in Japan, tying Madonna and Mariah Carey as the second foreign female artist to have the most albums top the Oricon Weekly Chart. This achievement highlights TWICE's dominance on Japanese music charts, solidifying their position as one of the leading K-pop groups globally. Additionally, TWICE is also recognized for its impressive chart performance in the Netherlands, where it ranks among the top artists with the most number 1 hits and longest stay in the Top 40. Guinness World Records has also acknowledged TWICE's achievements, including being one of the few female artists to simultaneously top both the UK singles and albums charts. Madonna, known for breaking multiple records throughout her career, has been a long-standing inspiration for many artists, including TWICE. The record-breaking artist has consistently demonstrated her ability to top multiple charts and set new standards in the music industry. Other notable artists have achieved similar success, with some even surpassing Madonna's achievements. For example, Taylor Swift holds the record for most number 1 albums on the Official UK Chart, while Rihanna tied Madonna's chart record with her album Unapologetic. Overall, TWICE's impressive achievements demonstrate their growing presence in the global music scene and solidify their position as one of the leading K-pop groups. Taylor Swift's album "Folklore" debuted at number one on the UK Albums Chart in July 2020. Additionally, the text mentions various records and achievements by other artists, including: * Madonna holding multiple records for most UK Number 1 singles, longest chart run as a solo artist, and most Top 10 singles in the UK. * Ruby Murray, a Belfast singer from the 1950s, who even topped Madonna's chart success, despite passing away at the age of 61. * Other artists, such as The Beatles, have also achieved notable chart success in the UK. These records were verified by organizations such as the Official Charts Company (OCC) and Guinness World Records. Various records and achievements by Madonna in the UK were noted, including being the biggest-selling female album act of the 21st century. In 2019, Ariana Grande's "Thank U, Next" set a record for the most simultaneous entries on the Official Chart Top 40. Other notable records include Adele's status as the UK's best-selling female album artist of the 21st century and Madonna's most-played artist of the decade in 2010. Additionally, her London show sold out in 15 minutes in 2001, and her Sticky & Sweet European Tour continued to shatter records in 2008. **Various Music Records Held by Madonna** The Queen of Pop has made several chart-topping records throughout her career. In February 2020, she reached another milestone with her 50th dance club song to top the Billboard charts. **Long-standing Records Held by Madonna** Madonna's reign on the Billboard Hot 100 was previously unchallenged, with Eminem and Rihanna briefly breaking her record in 2013. However, Drake later took over the spot, surpassing Madonna and The Beatles' records in 2020. **Multiple Top 10 Records Broken by Other Artists** Taylor Swift made history in October 2022 as the first artist to occupy all top 10 spots on the Billboard Hot 100 chart. This achievement beat out Madonna's previous record of 38 consecutive weeks at number one. **Other Chart-topping Achievements** Bad Bunny tied Encanto for most weeks at number one on the Billboard 200 in 2022, and Barbra Streisand reached the top spot on the same chart earlier that year. Various artists have also achieved milestones on different charts throughout their careers. **Madonna's Legacy** The Rock and Roll Hall of Fame has recognized Madonna as a significant figure in music history, solidifying her place among other legendary artists. Madonna has had a long and successful career in music, with numerous records broken and achievements accumulated. According to various sources, including Billboard and Guinness World Records, Madonna has had: * The most US number one music videos * The most top 10 hits on the Billboard Hot 100 chart * The most albums certified gold or platinum by the RIAA (Recording Industry Association of America) * The best-selling album of all time in several countries, including the UK and Australia * The longest-running number one single on the Billboard Hot 100 chart Additionally, Madonna has broken numerous records throughout her career, including: * Most simultaneous appearances on the Billboard Hot 100 chart (7 songs in 1986) * First artist to have a number one song on the Hot 100 chart as a lead artist and a featured artist (1991) * Most digital tracks sold in a week by an artist (2004) Madonna has also won numerous awards, including several Grammy Awards, American Music Awards, and MTV Video Music Awards. Her success extends beyond music to other areas, such as film and book sales, where she has also had significant achievements. Note that the original text includes many specific dates, sources, and references, which are not included in this paraphrased version. This article provides information about various music-related records and milestones achieved by artists such as Madonna, Barbra Streisand, and Celine Dion. According to the Guinness World Records (1998), Madonna holds several records, including being one of the top-selling female recording artists of all time. Madonna's song "Justify My Love" was a major hit in 1990 and became the first music video to be certified platinum by the RIAA. The song also reached number one on the Billboard Hot 100 chart. In 1992, Madonna won a Grammy award for Best Music Video for her song "Oh Father". This marked a significant milestone for her career and helped boost ambitions for the laser format. Other notable records mentioned in the article include: * Barbra Streisand being the first artist to have 30 gold albums certified by the RIAA. * Celine Dion's album " Courage" becoming the best-selling album of all time, although it's likely not the way she wanted. * Madonna's song "Vogue" reaching multi-platinum status in June 1990. The article also mentions that Luke Bryan's album "Party" became his biggest-selling album ever, and Celine Dion's new album made history in December 2019. * Guinness World Records states that Madonna holds multiple records in pop music. * She has won the most MTV Video Music Awards (VMAs) by a female artist with 20 wins. * Additionally, she has the most valuable piece of clothing sold at auction, which is her "Desperately Seeking Susan" jacket, and the most MTV Music Video Award nominations in one year. * Madonna also holds the record for the highest-grossing concert tour by a solo artist, specifically her "Madame X Tour". * She has won numerous awards, including 12 Razzie Awards, making her the most awarded artist in the history of the ceremony. * According to Billboard, she is one of David Letterman's top 10 guests ever, alongside notable celebrities like Bill Murray and John McCain. * Madonna's digital music sales have broken records with Guinness World Records, along with other artists like Rihanna, Lady Gaga, and Adele. * Her impact on the music industry has been significant, with her songs reaching number one on the charts multiple times. * She is also recognized for her record-breaking chart performance, including having the most top 40 hits by a female artist. **Multiple sources confirm Madonna's record-breaking achievements** In various articles and reports from reputable sources, several key facts about Madonna's career have been confirmed. * In 2019, it was reported that Madonna had equalled Camilo Sesto's record for most number one singles on Los 40 Principales with 18 hits. * A study of the history of the Spanish music chart revealed that Madonna's songs topped the charts more times than any other artist. * According to Spanish records, Madonna has had numerous number one hits in the country, with her album sales and concert ticket sales also setting new records. Madonna's global success is reflected in: * Record-breaking concert ticket sales in countries such as Mexico, Portugal, Singapore, Hong Kong, and Estonia. * Her 2012 world tour being a major commercial success. * Her albums and singles consistently charting at number one in various countries. Overall, these reports confirm that Madonna is an iconic and successful artist with numerous record-breaking achievements. Madonna is one of the most successful artists in music history. According to Billboard, she has had numerous number one hits and holds several records in the music industry. In 2009, she was named the Queen of Charts by Billboard, and in 2015, she was ranked as one of the top artists on the Hot 100 chart. In 2020, Madonna made history when her song "Dress You Up" became her 50th number one hit on the Dance Club Songs chart. This achievement solidified her position as one of the most successful artists in music history. Madonna has also had success on the album sales charts, with Spin magazine naming her the Queen of Album Sales in 2012. In addition to her chart-topping singles and albums, Madonna has also had success with her music videos, being named Artist of the Decade by Music & Media in 1994. In recent years, Madonna has continued to tour and release new music, with a successful Celebration Tour in 2023. Throughout her career, she has been recognized for her achievements, including being named one of the most successful artists on the UK Singles Chart and being awarded the record for Most Successful US DVD Chart Artist by Guinness World Records. Madonna's impact on the music industry extends beyond her own success, with numerous articles and features highlighting her influence on other artists and her enduring popularity with fans. Billboard magazine has ranked Madonna as one of the top artists of all time in several categories, including the Top 60 Female Artists, Greatest of All Time Hot 100 Artists, and Greatest of All Time Pop Songs Artists. Other publications have also recognized her influence, such as VH1's "100 Greatest Women in Music" and The Daily Telegraph's "Pop's 20 greatest female artists". Madonna has been named one of the most influential musicians of all time by Britannica Educational Publishing and Spin magazine has ranked her as one of the most influential artists. Additionally, various sources have recognized her achievements in setting records and making a significant impact on popular culture. Madonna's Memorabilia Fetches Giant Fan Letter and Record Sales
