## Bloody heart

"Bloody Heart" is a South Korean historical drama television series that aired in 2022. The show tells the story of King Seonjong and his successor, Lee Tae, who must navigate the complexities of power and loyalty in Joseon. The series explores the relationships between Lee Tae, a ruthless and ambitious king; Yoo Jeong, a free-spirited woman who becomes embroiled in the royal politics; and Park Gye-won, the first vice-premier who seeks to create a wise and benevolent ruler. The show features a star-studded cast, including Lee Joon, Kang Han-na, Jang Hyuk, and Heo Sung-tae. It was filmed on location in various parts of South Korea, including Yeongwol County and Boseong County. "Bloody Heart" premiered on KBS2 on May 2, 2022, and ran for 16 episodes every Monday and Tuesday at 21:30 (KST). The series is also available to stream on Disney+ in select regions. **\*\*COVID-19 Outbreak on Set\*\*** In February 2022, several cast members of the Korean drama "Bloody Heart" tested positive for COVID-19, forcing production to shut down temporarily. Park Ji-yeon and Yoon Seo-ah were among those who contracted the virus, followed by actor Heo Sung-tae on February 11. Filming was halted until February 16, when Heo fully recovered. **\*\*Cast and Crew Updates\*\*** \* Actor Ha Do-kwon tested positive for COVID-19 on March 10, leading to cancellation of his filming schedules. \* The drama's music releases continued throughout May and June 2022, with new songs dropping every week. \* Viewership ratings for the drama were released by Nielsen Korea, showing a steady increase in viewership over the course of the series. **\*\*Music Releases\*\*** The drama's soundtrack featured numerous musical releases from May to June 2022. Each song was accompanied by an instrumental version, and some tracks included collaborations with other artists. **\*\*Viewership Ratings\*\*** According to Nielsen Korea, the average TV viewership ratings for "Bloody Heart" were: \* Nationwide: 6.65% \* Seoul: 6.12% \* Nationwide (TNmS): 5.24% The highest rating was achieved on June 14, with an audience share of 8.9% nationwide. **\*\*Awards and Nominations\*\*** "Bloody Heart" received a nomination for Best Couple at the KBS Drama Awards in 2022, but the results were not specified in the text. The TV series "Red Single Heart" was based on the historical figure Park Won-jong, who led a coup that brought King Jungjong to power. The show starred Lee Joon and Kang Han-na as Joseon's Romeo and Juliet, and received several awards and nominations at the 2022 Korea Broadcasting Awards. Park Ji-yeon won an Excellence Award for Best Supporting Actress in a Miniseries. Lee Joon also received a Top Excellence Award, Actor nomination. The series was well-received by critics and audiences alike, with some praising its intense first teaser poster and others noting that it got bogged down in dreary politics. The show's cast, including Lee Joon, Kang Han-na, and Jang Hyuk, received positive reviews for their performances. There were also several notable guest appearances on the show, including Park Ji-bin and Shin Eun-soo. Jang Hyuk was praised for his nuanced performance as the show's lead actor. Overall, "Red Single Heart" was a well-received period drama that explored themes of romance and politics in Joseon-era Korea. "Red Single Heart" is a new historical drama that has been announced, with several notable actors joining the cast. Heo Seong-tae will be playing the lead role, while Choi Ri and Ryu Seung-soo have also been confirmed to join the show. Lee Joon and Kang Han-na will be starring alongside Jang Hyuk in this project. Additionally, other talented actors such as Park Seong-yeon, Yoon Seo-ah, and Oh Jin-ju are set to appear in the drama. The cast list is still growing, with new names being added regularly. The show promises to deliver an exciting mix of romance, politics, and action, making it a highly anticipated release. Fans are eager to see how the story will unfold, with many speculating about the relationships between the characters. As more information becomes available, we can expect updates on the plot, casting, and production schedule for "Red Single Heart". The Korean drama "Bloody Heart" has been making headlines in recent months. In May 2022, actor Lee Joon's character was rejected by Kang Han-na's character after confessing his feelings. The same month, Hahm Eun-jung made a special appearance on the show, showcasing her impressive acting skills. The drama has also been featured in various news outlets for its filming locations, including Yeolhwajeong Pavilion in Boseong, which has become a popular tourist spot. However, production was temporarily halted in February 2022 after several staff members and actors, including Park Ji-yeon and Yoon Seo-ah, tested positive for COVID-19. Despite the setbacks, filming resumed after the affected individuals recovered, including actor Heo Sung-tae, who was confirmed to have fully recovered from COVID-19 in mid-February. The drama's original soundtrack was released in May 2022, featuring two parts with music from various artists. Other notable news related to the drama includes the confirmation of actor Ha Do-kwon's COVID-19 diagnosis in March 2022 and the show's popularity as a filming location, with fans flocking to see the sets where their favorite scenes were shot. Overall, "Bloody Heart" has been generating significant buzz in the entertainment industry, both for its engaging storyline and its impact on popular culture.
