Tears of the kingdom guide

The Legend of Zelda: Tears of the Kingdom has a total of 23 Main Quest Chapters. Here's a list of all the main quests in the game, along with the recommended order to complete them, and how to unlock each quest. The list includes: * Prologue Quest * Find Princess Zelda * The Closed Door * To the Kingdom of Hyrule * Crisis at Hyrule Castle * Regional Phenomena * Camera Work in the Depths * Impa and the Geoglyphs * Tulia of Rito Village * A Mystery in the Depths * Riju of Gerudo Town * Yunobo of Goron City * The Sludge-Covered Statue * Sidon of the Zora * The Broken Slate * Clues to the Sky * Restoring the Zora Armor * The Dragon's Tears * Find the Fifth Sage * Secret of the Ring Ruins * Guidance from Ages Past * Trail of the Master Sword Each quest has a specific location and XYZ coordinate, as well as a designated quest giver. Completing these quests in order will help guide you through the game's story. The Legend of Zelda: Tears of the Kingdom features various quests, including Recovering the Hero's Sword and Destroy Ganondorf. Players can also engage in side adventures like Potential Princess Sightings, which involves helping Penn investigate situations related to Princess Zelda's appearances. The game has a total of 23 chapters, with a comprehensive walkthrough covering all aspects, including 1,000 Korok Seeds, 152 Shrines, and numerous side quests. A guide is available to assist players in navigating the game, using compass directions and coordinates for easier navigation. To achieve 100% completion, players must open all chests within Shrines, fully map and complete all Caves, and discover all Cave entrances. Additionally, mapping all Zonai Device Dispensers and obtaining available items is necessary for full map completion. The guide also covers Koroks, with information on how to find and interact with them. Overall, the game offers a rich and immersive experience, with a wide range of activities and challenges to explore. Here are some tips for finding Koroks in The Legend of Zelda: Tears of the Kingdom: Koroks can be found by completing various tasks, such as: * Rock Pattern: Find one or more nearby rocks and use them to complete a pattern embedded in the ground. * Metal Block Puzzle: Match or complete metal block formations using a nearby metal block chunk. * Offering: Drop 1 or more of a certain item into a bowl in front of statues. * Fairylights: Interact with fairylights, which can be found on certain objects or hidden away. * Pinwheel Shooting: Shoot targets that appear when standing near a pinwheel. * Lilies: Dive through a ring of flora to make the Korok appear. * Flower Trail: Follow a yellow flower as it appears and disappears. * Race: Step on a platform to begin a race and reach the goal ring before time runs out. * Glide Challenge: Glide to a newly spawned platform without touching the ground. * Backpack: Transport a Korok to its friend, often using nearby Zonai Devices. Additionally, Koroks can be found by: * Ascending through a stump * Attacking a Flower to spawn a seed that slowly descends Mini-bosses will also be covered as you progress through the game, anyone - even a legendary swordsman - can easily get lost in this massive open world. The guide helps you navigate through each of Link's main quests from start to finish, including exploring sky islands, investigating strange occurrences, and battling tough bosses. Since it's a direct sequel to Breath of the Wild, Tears of the Kingdom's story quest can be followed using Link's Adventure Log. You can complete these quests at any time and in various orders - or skip them altogether to explore the vast open world, discover new Shrines, take on side quests, or uncover hidden secrets underground. Note that while some sections are divided based on main quest completion order, many of these quests can be done in any sequence. Almost all main quests offer optional benefits, and a recommended route is provided below for those who want to tackle them efficiently. A list of side quests and activities in the game: - **StatueRoyal Hidden Passage**: A passage that allows swapping stamina and heart containers. - **Captain Hoz 100 Rupees**: A quest involving Captain Hoz, worth 100 rupees. - **The Beckoning Woman**: A mysterious woman who beckons for something. - **Outskirt Stable Penn Rupees**: A stable where you can obtain pennies. - **Serenade to Kaysa**: A musical performance for a person named Kaysa. - **Mastro 100 Rupees Gourmets Gone Missing**: A quest worth 100 rupees about missing gourmet chefs. - **A Call from the Depths Great Plateau Goddess Statue**: A statue that grants a heart container or stamina essence on the great plateau. - **Hyrule Ridge Side Adventures**: - **The Beast and the Princess**: A story about a beast and princess. - **Hestu's Concerns**: Hestu is concerned about something. - **New Serenne Stable, Hyrule Ridge Penn Rupees**: - **Hebra Mountains and Tabantha Frontier Side Adventures**: - **Potential Princess Sightings!
