World of Warcraft offers many classes for exploring Azeroth and beyond, with options ranging from holy priest to furious warrior. One class that stands out is druids, who tap into nature's power and can even take on animal forms. With numerous variations available through various methods, this article will help you discover unique druid appearances. Before we dive in, it's essential to note a few key points about druid forms. Firstly, some appearances are tied to player race, meaning certain models won't be accessible for specific races. Secondly, unlocking a form once allows any druid to use it, but if it was gained via Glyph, you'll need to purchase and apply the desired appearance on each character. Lastly, many appearances come from Artifact Weapons in Legion. To unlock these, visit your class hall's Artifact Forge, equip the weapon, and then access it through the barber shop. Here's a chart outlining every feral appearance available: Blue Dreamsaber - Obtainable via Moon-Blessed Claw Purple Dreamsaber - Drops from Keen-eyed Clan in Emerald Dream Green Dreamsaber - Purchase Silent Mark of the Dreamsaber and use on 11 cats in Emerald Dream Fandral's Flamescythe - Looted from Majordomo Staghelm Fangs Of Ashamane (various colors) - Complete artifact quest Fully complete at least one of the leveling zones in the Broken Isles Complete the class hall quest, "Light's Heart" Complete the first chapter of the Druid Class Campaign Nature's Fury (Purple) Get the achievement "Forged for Battle" and previous achievements Primal Stalker (Green) to Primal Stalker (Blue) and complete Balance of Power Complete Unleashed Monstrosities and Glory of the Legion Hero achievements Incarnation of Nightmare (Green) to Incarnation of Nightmare (Red) and reach Honor Level 10 Reach Honor Level 30, 50 and 80 Moonspirit (Brown) to Moonspirit (White) Unlock Moonspirit via Feather of Moonspirit and click on Owlcat stones in Dreamway when a Screech leads Unlock previous form then do 30 Legion dungeons or 200 World Quests or 1000 honorable kills Ghost of the Pridemother (Green) to Ghost of the Pridemother (Red) Must have first form unlocked, kill heroic Kil'jaeden in Tomb of Sargeras or win 10 rated battlegrounds or complete 10 Legion dungeons Default appearance will vary based on race The druid bear forms are available for guardian druids they can purchase Glyph of Ursol Chameleon at Auction House Fallen to Nightmare (Green) Fallen to Nightmare (Red) Reach Honor Level 10 Reach Honor Level 30 Reach Honor Level 50 Reach Honor Level 80 Guardian of the Glade (Brown) Guardian of the Glade (Black) Guardian of the Glade (Orange) Guardian of the Glade (White) Unlocked via the Mark of the Glade, which drops from Ursoc in The Emerald Nightmare dungeon Unlock the previous form, then do 30 Legion dungeons Unlock the previous form, then do 200 World Quests in Legion Unlock the previous form, then get 1000 honorable kills Might of the Grizzlepaw (Tan) Might of the Grizzlepaw (Black) Might of the Grizzlepaw (Brown) You must have the first form unlocked, then kill heroic Kil'jaeden in Tomb of Sargeras You must have the first form unlocked, then win 10 rated battlegrounds You must have the first form unlocked, then complete 10 different Legion dungeons The default Claws of Ursoc will have different colors based on your character's race.
