Microsoft's Xbox Games Showcase promises a promising slate of upcoming first-party games with a release window starting from 2025, including Perfect Dark, Fable, and Avowed. The showcase will also feature the release date for Bethesda Game Studios' title reation and a trailer for Shattered Space. A Fallout 3 remaster is set for October 2024, while South of Midnight is rumored to be released in 2025. Toys for Bob are working on a new Banjo game and a remaster of Lost Odyssey. The event will also tease the next-gen Xbox and handheld platform. Microsoft's acquisition of Bethesda has led to speculation about additional Activision Blizzard games being added to Game Pass, which seems like a likely announcement.Looking forward to seeing everyone at the meeting tomorrow and discussing our strategies Microsoft has confirmed that it plans to release a large batch of new games on its service fairly soon after a major deal closes.Fans are eagerly anticipating another big drop, possibly featuring iconic series like Spyro, Crash Bandicoot, Call of Duty, and Tony Hawk's Pro Skater.A dedicated Direct for the new Call of Duty Black Ops 6 is expected to take place straight after this years main showcase. The game is set during the Gulf War and will feature a release date reveal, gameplay demo, and early multiplayer details.Another highly anticipated title, Starfield's first DLC, Shattered Space, is scheduled for Fall 2024 and may receive a story trailer or developer insights at the June showcase. Obsidian Entertainment's Avowed is also expected to make an appearance, possibly with a fresh look at its story and combat systems. The game has already garnered attention with its deep gameplay mechanics.Lastly, Indiana Jones and The Great Circle will feature more gameplay at the Xbox Showcase, showcasing puzzle segments, combat mechanics, and Indy's trusty revolver.Microsoft is gearing up for several major announcements at its upcoming Xbox showcase, with multiple titles expected to receive significant reveals and confirmations in June.Arks 2, a survival game centered around dinosaurs, seems likely to feature prominently, given its status as an Xbox exclusive launch title. Although there have been two cinematic trailers showcasing the game's ambitious scope, no gameplay has been released yet, leading some to hope for an action-packed presentation this time around.Gears of War fans are also eagerly anticipating a possible showcase reveal for Gears 6 and potentially a remastered collection of previous titles in the series. The rumors surrounding both games suggest significant updates and improvements, including renewed server support and enhanced graphics through Unreal Engine 5.Additionally, Fable is expected to receive some attention at the showcase, with fans hoping for more information about its protagonist and potential character customization options. A release date or window for the game could also be announced during the event.Finally, Palworld's upcoming summer update promises to bring new content and features to the popular survival game, although no specific details have been revealed yet.Palworld is likely Xbox's biggest success story of 2024, and its massive summer update will showcase new features like PvP battling. The Xbox Showcase is a great opportunity for developer Pocketpair to promote the game and Microsoft to remind us of its success on Game Pass.Meanwhile, Neon White, an indie FPS with a cult following, may be showcased at the event despite still being in development. Its slick gameplay, voice acting by Steve Blum, and breakcore soundtrack make it a must-play for fans of speed and 90s nostalgia.State of Decay 3 is expected to receive an update, with insider Jez Corden saying it looks "far more impressive" than its predecessor. The game's focus on building backstories and relationships will likely be highlighted in upcoming trailers.Contraband, a co-op heist game from Avalanche Studios, has been silent since its conceptual trailer three years ago. A story trailer is needed to generate excitement, as the game sets in 1970s Bayan with a whistle-stop tour of locations like 'River Valley' and 'Pirate Town'.The gaming industry is abuzz with anticipation as several highly anticipated titles are set to be showcased. Contraband, The Outer Worlds 2, Valorant on console, Hollow Knight Silksong, and Everwild are all expected to make appearances.Contraband's release date window is a pressing concern, with an update possibly coming during the Xbox Showcase. Meanwhile, Valorant's console port has been shrouded in secrecy, with executive producer Anna Donlon hinting at an info drop this year. Summer Game Fest presents itself as the perfect opportunity to reveal more about the game.Hollow Knight Silksong is on the cusp of release, with Team Cherry teasing fans with a gameplay reveal during the Xbox Showcase. The long-awaited sequel has been eagerly anticipated for five years, and its inclusion in the show would be a significant boost.Everwild, a gorgeous-looking RPG from Rare, also seems likely to make an appearance. With attention turning to the game after the successful launch of Sea of Thieves on PS5, it's poised to showcase its beautiful art style and provide fans with more information about its release date.The gaming world is abuzz with excitement as gamers eagerly await updates on upcoming titles. A major reveal would be a welcome sight for fans of Forza Horizon, who are hoping to get a glimpse into what the gameplay will entail and potentially even a release window. While there's been little concrete information about Forza Horizon 6, some enthusiasts have started speculating about its features.The underappreciated nature of Forza Horizon 5 has left many wondering where the series goes next. Fans are crossing their fingers for a short but sweet reveal trailer that will give them a glimpse into the new location, which is rumored to be set in Japan. On another front, there's been a surge of interest in Fallout due to its TV show's popularity.Rumors are circulating about current-gen facelifts for Fallout 3 and New Vegas, with some speculating that a remake of Fallout 3 might be more likely given recent FTC vs Microsoft trial documents. Meanwhile, the world waits anxiously for any sign of a new Fallout game, which could take years to materialize.Lastly, gamers are keeping an eye on Xbox's potential to bring Helldivers 2 onto its platform, with previous rumors hinting at "early discussions" between Arrowhead and Microsoft. The addition of Xbox players into the fold would be a significant boost for the Helldivers fanbase.Given article text here There's a possibility that id Software is working on a new Quake entry, which would be exciting given the franchise's importance in FPS history. The last fully new Quake game was released in 2017, but rumors suggest that something could be brewing behind the scenes. Another major possibility is a new Doom game, which would be great news for fans of the series.The Xbox Games Showcase is coming up, and predictions are high for potential announcements, including Gears of War 6, Call of Duty: Black Ops Gulf War, and State of Decay 3. This year's showcase promises to be significant for the brand, with Xbox looking to build on its recent successes.Microsoft has confirmed that the Xbox Showcase will return in June 2024, but no specific date has been announced. Rumors point to four major potential announcements: Gears of War 6, a closer look at Call of Duty: Black Ops Gulf War, confirmation of when Call of Duty games will join Xbox Game Pass, and an update on State of Decay 3.Overall, the upcoming showcase is generating excitement among gamers, who are eagerly anticipating what id Software and Microsoft have in store.Xbox Games Summer Showcase 2024 promises to be a thrilling event for fans of video games, offering a glimpse into the future of popular franchises like Call of Duty and Gears of War. Black Ops Gulf War, a highly anticipated installment in the Call of Duty series, is expected to make its debut at the showcase, alongside rumors of new announcements regarding the game's release on Xbox Game Pass. Meanwhile, Gears of War 6 is poised to be showcased as a major title for the Xbox Series X/S consoles, potentially rivaling the success of the original Gears of War on the Xbox 360. State of Decay 3 is also rumored to make an appearance, providing fans with their first substantial update since its initial announcement four years ago. The event will be followed by a broadcast dedicated to Black Ops 6, confirming that the game will be available on Xbox Game Pass from day one. As the gaming community eagerly awaits the showcase, it's essential to keep expectations in check and treat leaks with a grain of salt.**(Rewritten using the "WRITE AS A NON-NATIVE ENGLISH SPEAKER (NNES)" method with a 30% probability)****UK Time: This Sunday, June 9th at 6PM BST - Countdown Started!**Find below countdown for event start time.**Watch Live on These Platforms:** YouTube.com/Xbox Twitch.tv/Xbox and also Twitch.tv/XboxASL Facebook.com/Xbox**Note:** Call of Duty Direct will share same livestream. **Scheduled Livestream (Xbox YouTube):** Xbox Games Summer Showcase 2024**Leaks for Xbox Games Summer Showcase 2024**From reliable source, Jeff Grubb, this event is about **2 hours long with 30 games** Expect some new, unseen titles alongside familiar ones. **Biggest Leaks So Far:** **New Gears of War Reveal:** Courtesy of The Verge, reported before Microsoft's official announcement. **Dragon Age Update:** Jeff Grubb hinted at Kinda Funny that while Dragon Age Dreadwolf wont appear, Dragon Age will.
