========== Joe Swanson, the wheelchair-bound police officer from Family Guy, gets an unusual idea that his wife Bonnie is tired of being with him because he's disabled. He decides to get a new leg and starts doing extreme sports to prove it. This decision causes tension among his friends, who try to teach him a lesson by re-crippling him. In the end, Joe realizes he made a mistake and apologizes to his friends. Peter Griffin and the guys start a bar called "The Quahog Men's Club" that only men are allowed to enter. However, when Lois and her friends come in, they get annoyed. The situation escalates until Peter and his friends try to re-cripple Joe again. This time, Bonnie helps them by shooting Joe with his own gun. Despite the chaos caused by Joe's actions, he eventually apologizes to his friends and they forgive him. ========== The season seven episode "Believe It Or Not, Joe's Walking On Air" is a standout in the series. Written by Peter Griffin and directed by Julius Wu, this episode features several notable guest stars, including Fred Flintstone, Spider-Man, and Jack Black. Peter Griffin takes center stage in this episode, showcasing his signature wit and humor as he navigates various pop culture references, including films like "The Unconventional Butler" and music from the theme song of "The Greatest American Hero". The title itself is a clever nod to the original theme song, with Peter often breaking into comedic impressions. Throughout the episode, the characters frequently break the fourth wall, with Peter's imagination taking over in some surreal sequences. A notable example is his "Scrubs" fantasy moment, where he becomes convinced that Joe has snapped and is having a mental breakdown. The humor in these moments adds to the episode's lighthearted tone. Another significant reference in this episode is to history itself. Adolf Hitler appears as a juggling performer, symbolizing how even the most unexpected characters can fit into a narrative. This Easter egg ties back to Seth MacFarlane's voice acting work on other shows like "The Oblongs" and highlights his versatility as an artist. Additionally, Peter reflects on Judas and Pontius Pilate from the Bible, illustrating how writers use references to broader cultural touchstones to craft compelling stories that resonate with audiences. The episode was a commercial success, drawing 8.4 million viewers upon its initial broadcast. Critics have praised this episode for its nostalgic value and comedic performances, demonstrating why Family Guy remains one of the most popular shows in television history.The episode "Believe It or Not, Joe's Walking On Air" had a decent storyline, but Kevin's absence distracted her. She gave it a B grade. In contrast, Robert Pierson from the TV Critic gave a negative review, criticizing the show's self-referential humor and the characters' selfishness, which made him dislike the show. He believed the humor was a sign of a lazy and incompetent writing team. The episode started with the Griffins stuck at home during a blackout, where Peter told the story of Star Wars Episode IV: A New Hope. Brian moved in with Jillian, but Stewie helped pay the rent to stay with him. Meg and Chris both got jobs at the local convenience store. Joe received a leg transplant to walk again, but his new legs led him to abandon Bonnie and the guys. Stewie killed Lois, and a year later, Peter was charged with her death. When Lois returned to Quahog, Stewie escaped with Brian to Washington, D.C. to initiate another plan for world domination. Peter discovered he was an illegal Mexican immigrant, forcing him to take a job as a day laborer for Lois's father. When Meg woke up from a coma, Peter vowed to treat her better. However, he didn't approve of her dating a doctor. Peter sued a fast food chain after suffering a stroke from eating over 30 hamburgers in one sitting. James Woods got his revenge on Peter by stealing his identity and moving in with his family. Brian declared his love for Lois at the writers' convention, but the Griffin kids were babysat by Herbert. When Brian looked up an old flame, he discovered she was his teenage son's mother. Peter acted like a pirate after getting a parrot, causing chaos in Quahog. Chris fell for vet intern Anna. ========== ========== is captured by the evil Darth Vader, C-3PO and R2-D2 escape to Tatooine to find help from the Rebel Alliance. There they meet Luke Skywalker, Han Solo, Chewbacca and Obi-Wan Kenobi who infiltrate the Death Star then rescue the captive princess and return to aid the Rebellion in its fight against the Galactic Empire. Movin' Out (Brian's Song) is reworked into Movin' Out (Brian's Song) Peter convinces Brian to move in with his girlfriend Jillian, Stewie tags along to help pay the rent but he tries to interfere with their relationship. Meanwhile Meg and Chris get jobs at the convenience store where Chris befriends the manager Carl who leaves Meg to do all the work. A leg transplant is believed to have restored Joe's mobility when Bonnie feels that his disability was holding her back from living a full life. Excited about his new ability, Joe engages in extreme sports but eventually ditches his friends for more active ones. Stewie Kills Lois (1) becomes Stewie Kills Lois after Lois and Peter sail off on a cruise and Stewie's matricidal tendencies are rekindled when Brian challenges him to actually do it. Desperate to stop Stewie, Lois realizes what she must do. A flood hits Quahog, resulting in Meg's coma. She meets a cute med student who they hit it off with. Overprotective of his daughter Peter tries to drive the med student away but that is until Meg reveals that she is pregnant. Peter develops a stroke after eating too many burgers at a local fast food restaurant and vows to expose the company for what it really is. He befriends a genetically engineered cow along the way. James Woods returns to Quahog to seek revenge against Peter after finding his wallet lost at Barry Manilow concert. James steals Peter's identity, family, and ruins his career and image. Peter and Lois's marriage hits a snag when Brian wins the New England Rising Writer's award. They head to Martha's Vineyard for a relaxing vacation but Peter spirals out of control and so does Brian's self restraint as he professes his love for Lois. Brian searches for Tracy, his former flame, after feeling that he may have lost his last chance at love. To his surprise, he discovers that he is the father to her son Dylan. Tracy decides that Brian should raise the boy but when Dylan runs rough-shoed in the house, Brian's parenting attitude doesn't settle well with Lois and Peter. Peter gets a pet parrot which makes him act like a pirate. After raising hell Peter accidentally kills the bird but that is not all he has doneJohn Holmquist He has worked on several episodes of Rugrats as a director and storyboard artist from the late 1990s to early 2000s. In 2003, he won a Daytime Emmy Award for Outstanding Children's Animated Program for his work on Rugrats. Holmquist also directed some episodes of Family Guy. He has designed the main characters and appeared as a director for many episodes of the animated television series Rugrats from 1991 to 1998 and acts as a storyboard artist for other later episodes from 2001 to 2004 and the three theatrical films. ========== Dominic Polcino is a notable animation director with a diverse portfolio of work. He has contributed to several prominent shows, including The Simpsons, Mission Hill, King of the Hill, and Family Guy. Initially working on Family Guy, he later moved to King of the Hill before returning to Family Guy. Currently, Polcino serves as a director on the Adult Swim series Rick and Morty. In addition to his work in television, Polcino has created several projects, including the TV pilot Lovesick Fool, which was showcased at various film festivals and is now available on YouTube. His brother, Michael Polcino, also works as a director on The Simpsons. One of Polcino's notable achievements is his involvement with the Dan Harmon series HarmonQuest, which combines live-action elements with animated sequences based on tabletop RPG exploits. He has directed several episodes of both The Simpsons and Family Guy, showcasing his versatility in animation direction.
